Prot. n. 56236 – III/13 rep. 762

Research fellowships on Trust and financial advisory - University Ca’ Foscari Venezia (Italian law 30 December 2010, n.240, art. 22)

Description
The Department of Management at Università Ca’ Foscari Venezia invites applications for a fellowship in: The evolution of management accounting systems in acute public hospitals

SECS-P/07 – Business Administration and Accounting Studies

The research shall be carried out in English.

The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca’ Foscari Venezia.

Abstract: The research investigates contents and logics at the base of the adaptation of the management accounting systems to the modern horizontal models of acute public hospital management based on patient’s clinical severity and care complexity. It focused on the study of the significant changes to the cost accounting system and budgeting caused by the new organization’s accountability and managerial roles emergent from the adoption of these organizational models. Further, a special attention has been paid to the new managerial instruments and changes in the information systems in order to optimize patient’s logistic flows and resource consumption
