Selection for the assignment of n. 1 Research fellowships on Open Data Exploitation - Università Ca' Foscari Venezia

(Italian law 30 December 2010, n.240, art. 22)

Description

The Department Environmental Sciences, Informatics and Statistics at Università Ca' Foscari Venezia invites applications for a fellowship in: Open Data Exploitation

The aim of the project is the design and implementation of new Andorid apps and/or web apps realizing services based on open data provided by different public administrations. The resulting suite of applications should offer a valuable example of an ecosystem based on open data offered either to citizens and to firms.
- The research activity is related to the project CEVID - Azione 1.

The research may be carried out in English.

The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia.

Who can apply

Prospective candidates are expected to hold a Master degree in Computer Science. Ca’ Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply by 30/06/2016.

Duration of contract: 12 months approximately starting: July 2017.

Stipend: The research fellowship amounts to 19367,00 Euros per year, including taxes and social charges.

Deadline for submission of applications: 04/07/2017, h. 12.00 noon.

How to apply:

Candidates should submit:
1. The application form;
2. A CV in European format, duly dated and signed;
3. A copy of a valid identity document (either Identity Card or Passport);
4. (If available) Evaluation Summary Reports of Marie Skłodowska Curie/ ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) individual proposals having passed all the evaluation thresholds;
5. (If available) Details of Marie Skłodowska Curie, ERC Starting Grants, FIRB (Italian Fund for basic research investments)/ SIR Scientific Young Independence
6. All documents, qualifications and publications relevant for the selection procedure (please, see the notice [link]).
All the schemes of the quoted documentation are available on the website (link).

**How to submit your application**

Applications should be submitted by the online at the following link:

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of his/her application.

The candidate if necessary could access the procedures for updating any data and materials by the link provided by the e-mail, in any case any updates must be made no later than the deadline **04/07/2017, h. 12.00 noon**.

Please note that the University can be contacted for any support needs by the candidate until 24 hours prior to the deadline.

Please note that in case of an high number of applications and / or weight of the materials loaded by the candidates the system might become slower, Therefore it is suggested not to start the process close to the deadline.

**NB:** the University does not take on responsibility for wrong or late communication of addresses, nor for any communication problem not depending on the University.

**Evaluation**

Up to 100 points, specifically:

For qualifications, publications and possible tests, from 0 to 60;

For interview, from 0 to 40.

The interview will be held in any case on **05/07/2017 h. 09,30** a.m. (Rome CET) at the Department of Environmental Sciences, Informatics and Statistics, Ca' Foscari University of Venice, - Scientific Center, Zeta Building – floor 1 - Prof. Agostino Cortesi office, Via Torino, 155 – Mestre (Venice).

The short-list of the candidates admitted to the interview will be available on **05/07/2017 office Prof. Cortesi.**

Any postponement, will be published on the University’s webpage (link).

The interview will assess the candidate’s familiarity with the following topics:

- Design and implementatio of Android apps
- Web services design and implementation
- e-government systems
- Verification of Italian language for foreing applicants;
- Verification of English language

**Information and contacts**

Candidates may find further details about the application process and the research project in the official call.
