Evaluation Procedure and Commission
A Commission summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

Evaluation procedure. The Commission defines the general evaluation criteria. The interview and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the Call.

Awarding of the Short Research Fellowship
Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public, according to the procedures specified in the Regulation awarding the short research fellowships (artt. 6, 8) and in the website http://www.unive.it/nqcontent.cfm?a_id=177684. Exclusion is justified in detail in the selection reports which can be accessed in accordance with Law 241/90.

The Director of the Department, at which the research programme will be conducted, awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 7 days from receipt of the communication by answering to the e-mail sent by the Administrative Office of the Department of Management, which will establish the terms of and procedures for the collaboration and allocation of the grant and will give information also about the signing of the relative contract.

The Department will revoke the procedure or will not stipulate the contract with the winner if the Research topic will lose interest or if the Sponsor will not pay the grant for the Short Research Fellowship.

Grant
The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefitting from the range of expertise at Ca’ Foscari University of Venice. The tutor coordinates the activities of the Research Fellow and any other research activity within the same program and provides the Fellow with all the information for carrying out the research.
The Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services. The rights for any patentable invention coming from Research Activities belong to the University or entities with which the University has signed (or will sign) specific agreements.

During his/her research activity, the Fellow has to produce:
- periodic bimonthly reports about the progress of the research activity which have to be approved by the tutor;
- within the contract deadline, a final relation about the developed research, which has to be approved by the tutor and presented to the Council Department.

**Incompatibility**
The Short Research Fellowship cannot be combined with:
- Research Grants;
- Scholarships, excepting Scholarships granted by National and International Institutions to complete the own Research Program with foreign journey;
- Dependent Employment; the Short Research Fellowship is compatible with work under an independent contractor agreement. The Tutor will certify the compatibility for what concerns self-employment agreements.

In any case the Short Research Fellowship is not considered as an employment contract and the Fellow is not part of the University staff.
The Fellows cannot be enrolled to Master Degree courses and they cannot be involved in teaching activities.
