VENICE: VAPORETTO

- Your pass lasts for 7 days from the time you “activate” it
- You must carry it with you always!
- You can take all “ACTV” transport, to all locations in Venice

VENICE: VAPORETTO MAP

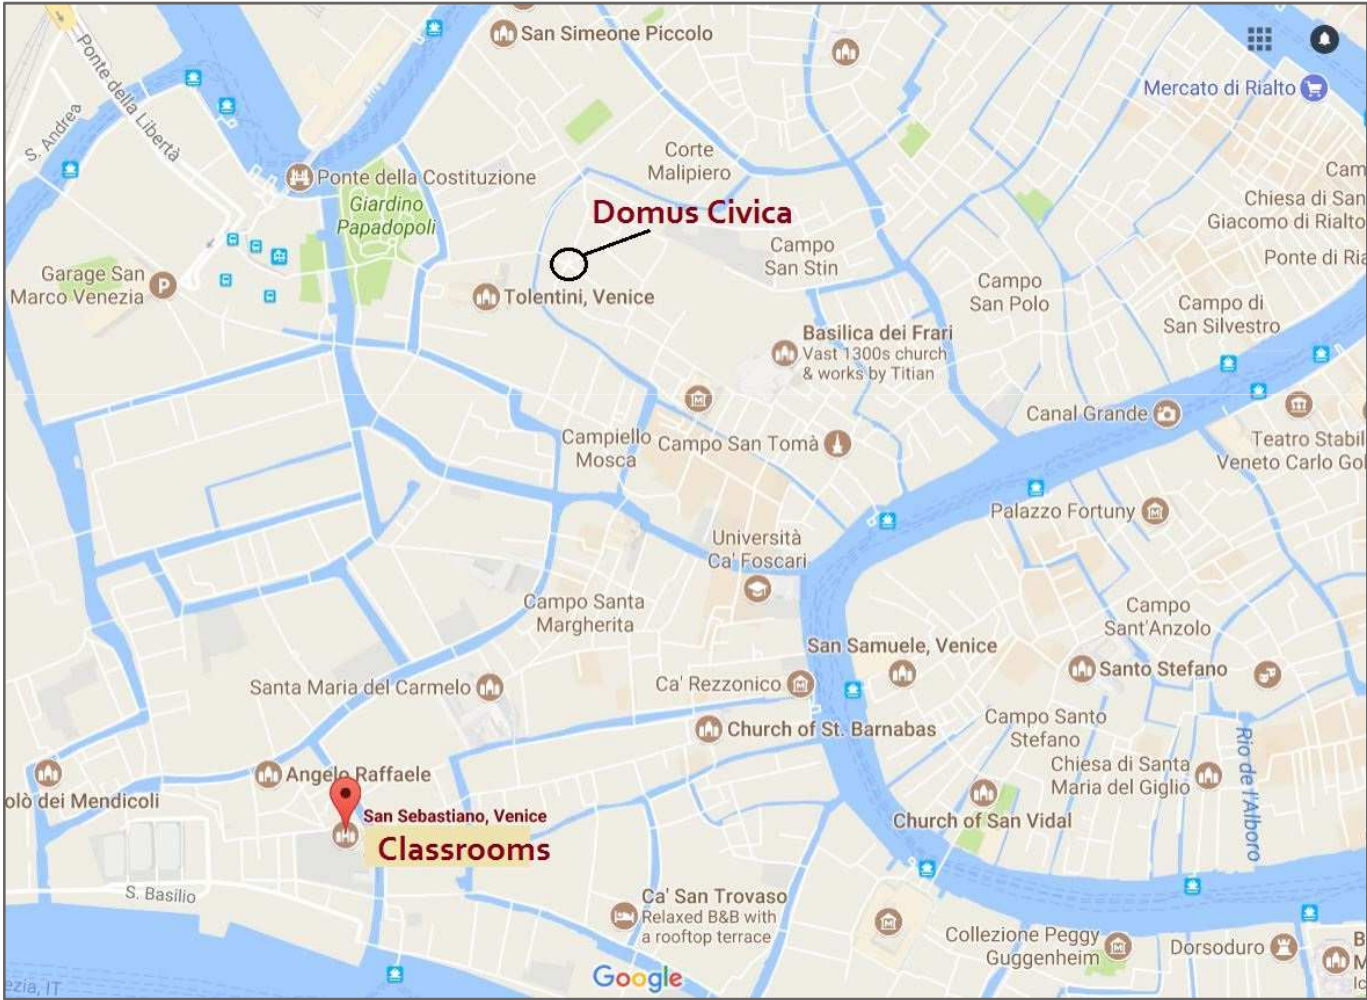

GETTING TO CLASS

- The easiest way is by walking (15 minutes).
- Alternatively, you can walk to Piazzale Roma (5 minutes) to take the vaporetto boat, line 5.1 from the Train Station water-bus stop “Piazzale Roma E” and take it all the way around to “San Basilio”.

GETTING TO CLASS

VENICE: WHERE TO HAVE LUNCH

- There are two bars at the foot of the bridges at San Sebastiano and San Basilio
- At Zattere nearby San Basilio Vaporetto stop you may find “Ae Oche” pizzeria and restaurant, or a small bar called “Chioschetto”
- At Campo Santa Margherita (10 minutes walk from San Sebastiano) you can find many different bars and restaurants.

VENICE: GENERAL ADVICE

- Download 2GIS for maps (much better than Google!)
- Always take water with you as walking up and down bridges is tiring and it is hot!
- Take cash to small restaurants and bars
- Price of a Gondola ride is around EUR 80
- Price of a taxi ride is EUR 60 for a short trip, but can be up to EUR 160 if you want an hour long tour

WHILE IN ITALY

- Cover your shoulders and tops of legs when entering churches (some will have scarfs/shawls to use)
- Try the local cuisine and don't just eat pizza!
- Try to learn a few words of Italian:

SURVIVAL ITALIAN

- **Buongiorno** = Good Morning
- **Buonasera** = Good Evening
- **Mi scusi** = I'm sorry / excuse me
- **Per favore** = Please
- **Grazie** = Thank you
- **Prego** = You're welcome / Go ahead
- **Uno – Due – Tre – Quattro – Cinque** (1-2-3-4-5)
- **Quanto costa?** = How much does it cost?
- **Posso avere un caffè?** = Could I have a coffee?
- **Come posso arrivare a...?** = How can I reach ..?
- **Dov'è.....?** = Where is
- **Vai dritto, Gira a Sinistra, Volta a Destra** = Go straight on, Turn Left, Turn Right
