LA RETTRICE

VISTO lo Statuto di Ateneo;

VISTO il Regolamento di Ateneo per l'Amministrazione, la Finanza e la Contabilità

VISTO il DDG rep. n. 78 del 01/02/2024 prot. n. 34643 che assegna il budget 2024 alle singole strutture;

VISTI gli Accordi Finanziari n. 2022-1-IT02-KA171-HED-000073396 – CUP H71B22001520002, n. 2023-1-IT02-KA171-HED-000138416 – CUP H71B23000250002 e n. 2024-1-IT02-KA171-HED-000204049 – CUP H71B24000160006, siglati tra l'Agenzia Nazionale Erasmus+ INDIRE e l'Università Ca' Foscari Venezia per l'assegnazione di due Progetti nell'ambito del Programma Erasmus+ Settore Istruzione Superiore - Attività KA1 Mobilità per l'apprendimento individuale (International Credit Mobility);

CONSIDERATO che il Programma Erasmus+ 2021-2027 consente di finanziare mobilità in uscita di docenti verso Paesi terzi non appartenenti al Programma mediante l'utilizzo di fondi KA131 fino a un massimo del 20% del budget allocato a tale azione;

VISTA la durata biennale dei progetti KA131 e quella triennale dei progetti KA171, per cui per poter finanziare mobilità in uscita di docenti verso Paesi terzi non appartenenti al Programma, normalmente finanziate dall'azione KA171, è necessario prevedere l'imputazione di tali spese a progetti KA131 diversi (call 2023, 2024 e seguenti);

CONSIDERATA l'impossibilità di prevedere a priori la disponibilità finanziaria in un determinato progetto KA131, in quanto essa è subordinata all'effettivo avanzo di budget che sarà noto con certezza solo verso la fine del progetto;

CONSIDERATO che, a causa della diversa durata dei progetti di mobilità e dell'impossibilità di prevedere la disponibilità finanziaria in un determinato progetto KA131 di cui alle due premesse precedenti, è necessario prevedere che alcune di queste mobilità – in particolare quelle che si svolgeranno tra il 01/08/2026 e il 31/07/2027, dovranno essere imputate a un progetto KA131 call 2025 in via di definizione;

CONSIDERATO altresì che l'Ateneo, in occasione della call di febbraio 2025, presenterà all'Agenzia Nazionale Erasmus+ INDIRE una nuova candidatura per il finanziamento KA131 call 2025 e che, sulla base del trend positivo di finanziamenti Erasmus+ degli ultimi anni, che si basano su di una procedura di assegnazione ricorrente, non competitiva e parametrata sulle richieste presentate nelle annualità precedenti, si può ipotizzare l'esito parimenti positivo di tale candidatura;

CONSIDERATO il seguente ordine di priorità nell'utilizzo dei fondi per le specifiche mobilità docenti out verso il Mozambico, Algeria, Kenya, Marocco e Tanzania: 1. progetto KA131 call 2023 per mobilità realizzate entro il 31/07/2025; 2. progetto KA131 call 2024 per mobilità realizzate entro il 31/07/2026; 3. progetto KA131 call 2025, non ancora esistente ma che si ipotizza di avere a budget nel corso del 2025, per mobilità realizzate entro il 31/07/2027; 4. supporto organizzativo (OS) KA171 call 2023 e 5.

PRESO ATTO

CONSIDERATA

3.5 Incompatibility

- Selected beneficiaries will not be allowed to benefit from any other grant provided by the European Commission for mobility in the same period (i.e., double funding).
- Candidates with a double nationality must specify the nationality under which they submit their application.

3.6 Ineligibility

- If, at any stage in the application procedure, it is established that the information provided by the applicant has been knowingly falsified, the candidate will be disqualified from the selection process.
- Selected beneficiaries who receive an Erasmus+ grant will fully or partially reimburse the EU grant if they do not comply with the terms of the grant agreement and/or if they fail to complete and submit the final online report, unless they are prevented from completing their planned activities abroad due to a case of force majeure.

Art. 4 Activities

4.1 Teaching assignments may come in various forms and take place as seminars, lectures, and tutorials. Actual teaching in this context should require the beneficiary to be physically present with the students. Teaching mobility may include providing training for the development of the partner HEI.

For mobilities for **teaching**, a minimum number of **8 compulsory hours** of teaching per week is required. Although email tutoring or any other forms of distance learning as well as preparation activities are highly encouraged, they do not count in the minimum number of 8 hours per week.

For mobilities for **teaching+training**, the minimum number of teaching per week is of **4 compulsory hours**.

For mobilities for **training only**, no minimum number of hours needs to be reported. Training activities may take the form of job shadowing, observation periods, training courses, etc. (excluding participation in conferences).

4.2 At the end of the mobility, in order to enhance the best impact of the project results, beneficiaries will be asked to provide:

- a short impact report on the template provided by the UNIVE International Office;
- the EU mobility survey;

Art. 5 Economic support

5.1 Beneficiaries will receive an individual support as a contribution to their costs during their mobility, which is specified in the table below.

5.1.1 Such individual support is intended to be a **gross payment - “compenso lordo”**, which will be subject to the application of the Italian fiscal law and will be based on the following calculation criteria (respecting in any case the total amounts set by art. 2).

	INDIVIDUAL SUPPORT
Mobilities referred to art. 2.1 and 2.2	180 € per day until the 14 th day and 126 € per day for the following days (up to the 60 th day)
Mobilities referred to art. 2.3	190 € per day until the 14 th day and 133 € per day for the following days (up to the 60 th day)

5.2 Beneficiaries will receive a travel contribution (1 round-trip flight ticket per beneficiary) according to the fixed amount assigned per destination, as follows:

TRAVEL DISTANCE	AMOUNT	AMOUNT FOR GREEN TRAVEL

Contributions for green travel are allocated if the beneficiary chooses sustainable transport that use low-emissions means of transport for the main part of the travel, such as bus, train or car-pooling.

5.3 Erasmus+ selected beneficiaries might be required to purchase their international medical insurance with their own funds. Ca' Foscari University of Venice does not automatically provide health insurance for outgoing beneficiaries.

5.4 The mobility period must be carried out continuously and it must not be split into different periods. Therefore, during their mobility period beneficiaries must not carry out any teaching activity at Ca' Foscari. Beneficiaries will be invited to provide evidence of the activity performed during their mobility (photos, videos, syllabi, presentation slides, etc).

5.5 Selected candidates accepting the scholarship will sign a grant agreement for mobility listing their duties and responsibilities. They will be required to comply with the local admission requirements.

5.6 Administrative support:

Support in visa application, housing, accommodation will be supplied by each host partner university. Ca' Foscari University will assist beneficiaries in obtaining such support from the receiving institution.

5.7 This call is issued notwithstanding the current regulations on missions at Ca' Foscari University (*Regolamento di Ateneo per le Missioni*, art. 5.9), in particular concerning the maximum daily amounts and the method of payment.

5.8 Special needs support:

Extra-financial support may be available for beneficiaries with special needs. 7.5 In order to evaluate the applications, the Evaluation Commission may resort to the external support of one or more faculty who are experts in specific subjects. To do this, the Commission may choose one or more of the following institutional figures from the Ca' Foscari Departments: Department Director, Delegate for Internationalization, Education Delegate, Research Delegate.

7.6 At the end of the selection procedure, Ca' Foscari University of Venice will draft a ranking list of qualified candidates. 7.7 All applicants will be notified by e-mail to their institutional e-mail addresses of the selection results as soon as the evaluation procedure has been concluded.

7.8 Selected candidates will receive a **scholarship offer** and are required to **accept or reject it in written** (no later than 3 days from the notification e-mail). For every selected candidate who renounces or does not accept within the deadline, **Ca' Foscari University of Venice** will nominate a candidate from the reserve list, that will remain valid for the whole duration of the correspondent Erasmus+ ICM project (as of art. 1.2, 2.1, 2.2, 2.3).

- Complaints from applicants who have failed to satisfy all the eligibility criteria (e.g. who have not produced the required documentation, or have applied for a scholarship but do not meet the requirements, etc.), or have failed to satisfy them within the established timeframes, will not be taken into consideration.
- The appeal procedure can only come into play if a candidate feels that the Selection Committees have not handled his/her own application in line with the principles and procedures described in the call. In other words, the appeal cannot concern the decision itself, but only an alleged error made in the process.

7.10 Should any budget leftovers become available during the Erasmus+ ICM project for one or more specific destinations, Ca' Foscari University of Venice has the right to nominate additional eligible candidates from each destination's reserve list. Should one destination have several reserve lists resulting from previous calls, priority will be given to most recent one.
