**The expected starting date is June 2025.**

The research fellowship is awarded for the purpose of collaboration with the following research programme of the Department of Nanosystems and Molecular Sciences:

**Abstract:**

The grant holder will have to carry out the following research activity:

- Identification of new compounds to be used as tanning or retanning agents
- Synthesis of the identified compounds, their characterization, verification of performances on a small scale.
- Scale up of production of at least one tanning agent
- Pilot scale tests of the tanning agent on leather samples and their characterization.

**The research fellowship amounts to Euro 19.367,00, gross to the recipient.**

**Deadline:** not later than noon time (12:00 Rome CET) of **05/05/2025**

**Rules of eligibility - Beneficiaries.**

People with a master's degree (or equivalent) in:

**Chemistry and Sustainable Technologies or equivalent degree or equivalent foreign qualification.**

Applicants must hold all the requisites within the call deadline. The qualifications will be evaluated by a Commission that examines the eligibility and qualifications of the candidates and makes a merit rank of them.

**Possible assessable qualifications:**

- Experience in the synthesis of organic products and their characterization;
- Relevance of the work carried out during the Degree internship with the telematics required by the project;

-Knowledge of English language.

#### Incompatibility

The short-term research fellowship may not overlap with:

- other scholarships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;
- attendance of PhD courses with scholarship and medical specialization, in Italy and abroad;
- research grants “assegni di ricerca”
- subordinate employment relationships

Scholarship holders can carry out occasional work activities, upon written communication to the scientific manager and on the condition that:

- a) this activity is declared by the person in charge to be compatible with the pursuit of the research activity referred to in the scholarship;
- b) does not involve a conflict of interest with the specific research activity carried out;
- c) does not prejudice the university, in relation to the activities carried out.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university

#### How to apply

Candidates should submit:

1. The application form (<http://www.unive.it/data/28900/>), duly dated and signed.
2. Applicants must declare in the application, under their own responsibility:
  - educational qualification held with the graduation grade;
  - the possession of a residence permit valid at the deadline of the call for applications, in case he/she is a non-European citizen residing in Italy;
  - that they understand that the short-term research fellowship is not compatible with the positions referred to in Art. 12 of the present Regulations and current legislation;

#### How to submit your application

Applications, together with all the required documentation, have to be submitted exclusively online at the following webpage:

<https://apps.unive.it/domandeconcorso-en/accesso/dsmn-rewaster-beghetto-1>

not later than noon time (12:00 Rome CET) on 05<sup>th</sup> May 2025.

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of their application. The candidate if necessary, could access the procedures for updating any data and materials through the link and submission number provided in the e-mail until the call deadline expires.

Please note that the University can be contacted for any support needs by the candidate 24 hours prior to the deadline. For further information please contact the Secretary of the Department of Molecular Sciences and Nanosystems - Research Office – tel. n. 041-2348633 / 8514, e-mail: [ricerca.dsmn@unive.it](mailto:ricerca.dsmn@unive.it).

Please note that in case of a high number of applications and / or weight of the materials loaded by the candidates the system might become slower. Therefore, it is suggested not to start the process close to the deadline.

Incomplete applications, those without the required data and the compulsory attachments will not be taken into consideration. Furthermore, the applications which, for any reason, reach this University beyond the deadline indicated above cannot be accepted.

The declarations made in the application shall be considered issued in accordance with the DPR no. 445/2000 and subsequent amendments, by candidates entitled to use the simplified administrative certifications permitted by the above decree.

#### **Selection and Evaluation Procedure**

The selection of applications is carried out by an examining commission, appointed pursuant to the University Regulations for the activation of scholarships for research activities art. 7, respecting, where possible, gender balance, based on qualifications and interview.

The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, as specified by the call. In the event of two or more candidates obtaining the same score at the end of the selection, the younger candidate will be preferred.

#### **Awarding of the short research fellowship**

Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within seven days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

Publication of the results of all the selection phases shall be published in the online University notice board, on the specific Department web page ([link](#)) and on the University website ([link](#)).

Access to the selection documents is guaranteed pursuant to the law of August 7th, 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.

#### **Processing of personal data**

Personal data provided by the candidates in their applications for participation in the selection procedures, are processed pursuant to the legislative decree of June 30th 2003, no. 196 and subsequent amendments and additions and to EU Regulations 2016/679. Comprehensive information on personal data processing can be found [here](#).

#### **Person in charge of the procedure**

Pursuant to the provisions of art. 5 of the law of August 7th, 1990, no. 241 and subsequent amendments and additions, the person in charge of the administrative procedure for this selection is Sonia Barizza, Secretary of the Department of Molecular Sciences and Nanosystems.
