How to choose your destinations (1)

- Check the **disciplinary area** the agreement has been sealed for and the **expected duration of the mobility**;
- Check possible restrictions concerning the **study cycle** (L=BA, LM= MA, PhD);
- Check **possible additional restrictions** (places reserved to specific study programmes or curricula/semester of mobility, etc.);
- Check if the **academic offer at the host institution as per the agreement** is compatible with your study plan, and the exams that you would like to take abroad;
- Focus on the host university and the services offered to students, rather than the country or city of destination;
- Consider whether your choice is **economically viable** (for you and your family).
