<i>Proposed actions (Item Action Plan)</i>	<i>Gap Principle(s) (Art. European Charter-Item Gap A.)</i>	<i>Timing</i>	<i>Responsible Unit</i>	<i>Indicator(s) / Target</i>	<i>Current status</i>	<i>Remarks</i>
<p>Action 1 1.4 In the text of the calls for researcher, researcher fellow, Phd student, and scholar, highlight the ways in which the candidate can view the evaluation received</p>	<p>13. Recruitment (Code) 15. Transparency (Code)</p>		<p>HR and Research Areas, Departments</p>	<p>On/Off</p>	<p>COMPLETED</p>	<p>New Action inserted thanks to the HRS4R Assessors' suggestion when awarding the HR Excellence in Research Label, to consider other critical issues that emerged from the Gap Analysis. This action is already part of the University procedures even though there is no legal obligation in Italy on it. The current practice is now the following: The University publishes the overall outcomes of the selections, on its website. Then, candidates privately receive evaluations from external referees. At the end of the selection procedures, candidates are always properly informed by the selection committees</p>

						about the weaknesses and strengths of their applications
Action 2 1.5 Inclusion among the documents required by the calls especially for young researchers, of a motivation letter: (preparation of a format)	16. Judging merit (Code) 19. Recognition of qualifications (Code)	30/09/2017	HR Area	Insertion in the new call for applications process of a motivation letter.	COMPLETED	All calls currently require applicants to submit a letter of motivation. It was decided not to adopt a binding format but to leave each candidate free in the wording of the letter. The University ascertains the overall potential of candidates as researchers and, in particular, their creativity and degree of independence are adequately examined by selection committees
Action 3 2.1 Set up of University Regulations to reward researchers in charge of externally funded projects to align remuneration with the European standards.	26. Funding and salaries	31 December 2019	HR Area in collaboration with Research Area	Approval by Academic Bodies of the new Regulations by 31/05/2018	COMPLETED	Following the resolutions of the Academic Senate of 27/01/2021 and the Board of Directors of 05/02/2021 on direct calls of individual grant awardees and related salaries and top-up for Marie Curie Fellows recruited as tenure-track researchers, the University issued the document: "Guidelines on the process of direct calls of individual grant awardees and related reporting"

						<p>(Circular No. 17/2021 Prot. No. 0111789 of 14/10/2021) and subsequent "Interpretive Clarification Prot. <p>Action 4 2.2 Feasibility analysis for the stipulation of a supplementary health insurance policy with advantageous conditions for researchers at all levels and their families.</p>	<p>24. Working conditions 26. Funding and salaries</p>	<p>November 2017</p>	<p>HR Area in collaboration with Estates and Purchasing area)</p>	<p>1) Feasibility study</p>	<p>COMPLETED</p>	<p>Researchers can benefit from adequate social security benefits, including sick leave, parental leave, and pension rights under current national legislation and can take advantage of a supplementary health insurance policy providing benefits to them and their family members.</p>
<p>Action 5 2.2 Establishment of a supplementary health insurance</p>	<p>24. Working conditions 26. Funding and salaries</p>	<p>November 2018</p>	<p>HR Area in collaboration with Estates and Purchasing area</p>	<p>2) Establishment of supplementary health insurance</p>	<p>COMPLETED</p>	<p>The insurance is available to teaching and research staff, research fellows and PhD students (R1- R4) at advantageous prices and conditions. Family members can also sign up. (Wellbeing and Health plan at https://www.unive.it/pag/11330/) 2022: As of 1 April 2022, the University renewed the supplementary health care plan for its staff for an additional three years (PASI Healthcare Assistance Plan - https://www.unive.it/pag/33338/?L=1) The policy is usable by Teaching and Research Staff, Assignees and PhD students (R1- R4) at favourable prices and conditions. Possibility of extension to family members as well (Wellness and Health Plan https://www.unive.it)</p>

						/pag/11330/)
Action 6 3.2 Support of research activities, with particular attention to starting researchers (R2) through funds specifically designated by the University 3.2.1	23. Research environment	Start/end: Q1 2017-Q4 2020	Research Area	Budget dedicated to starting researchers (R2). 125.000 EUR (established by Organs)	COMPLETED.	Continuous implementation. The university set a new initiative: the seed fund scheme (fondo di primo insediamento) Seed fund scheme granted 137,000 euro in 2017 to 11 beneficiaries, in 2018 of 175,000 euro to 15 beneficiaries. 2022: The University invested more resources than the ones indicated in the previous action plan: Early settlement fund notice 2019 funded 20 young researchers Early settlement fund notice 2020 funded 21 young researchers for a total amount of EUR 313,000

<p>Action 7</p> <p>3.2 Incentivizing the Departments to provide research grants of a minimum duration of two years and grants on topics proposed by researchers autonomously (area grants) 3.2.2</p>	<p>23. Research environment</p> <p>25. Stability and permanence of employment</p>	<p>May 2018</p>	<p>Research Area</p>	<p>Promotion of external calls (ERC, Marie Curie) and funding of programs on their own budget</p>	<p>COMPLETED</p>	<p>Launched in 2018 and completed in 2021, the SPIN Call - Supporting Principal INvestigators https://www.unive.it/pag/31926/ was open to researchers from any background, whether tenured or not at Ca' Foscari University Venice, whose academic profile met criteria of excellence. Candidates must commit to submitting collaborative or ERC projects with Ca' Foscari as host institution. Researchers not holding a position at Ca' Foscari, whose projects were eligible for funding, would be contracted through a 2-year research grant and a research budget up to EUR 40,000 per year. SPIN calls were issued in 2020 for EUR 500,000; in 2021 for EUR 500,000; and in 2022 for EUR 250,000. In 2021, the initiative was modified and partly replaced by the EU cofunded Marie Skłodowska-Curie COFUND Global@Venice initiative (for external researchers), and SPIN was reserved for Ca' Foscari researchers. The investments in MSCA (Marie Skłodowska-Curie) calls (Ca' Foscari is top 5 in Europe for individual and postdoctoral fellowships) and ERC grants has brought remarkable results, with numerous research grants lasting even more than 2 years, both for</p>

						Marie Sklodowska-Curie fellows and ERC team members. While drafting the proposals, the research support staff encouraged applicants to set at least 2-year research positions, which meant not only more ambitious activities, but also investing in the training and competences of new recruited staff.
Action 8 3.2 Establishment of a start-up fund by departments to allow research autonomy in the first year after hiring at Ca' Foscari	23. Research environment	November 2018	Research Area in collaboration with Departments	Approval of the funding constitution by the Board of Governors	COMPLETED	The action has been merged with the previous action 3.2.1 Almost all departments have already formally adopted this initiative; the other departments are establishing similar practices that will be formalised soon. Information on these is given to new hired researchers through the existing guidelines or in their onboarding procedures

<p>Action 9</p> <p>3.4 Onboarding Project aimed at facilitating the integration of new hires into the reality of Ca' Foscari 3.4.1</p>	<p>23. Research environment</p>	<p>November 2017</p>	<p>HR Area in collaboration with Research Area and Departments</p>	<p>Approval of Welcome kit and Onboarding procedure for all researchers</p>	<p>COMPLETED</p>	<p>The Onboarding procedure is now fully implemented both by Departments and the Central Administration. Furthermore, a Practical Guide (Welcome Kit) for Research Fellows/Grantees in English or Italian https://www.unive.it/pag/fileadmin/user_upload/ateneo/ricerca/documenti/ricerca-cafoscari/assegniricerca/Guidaassegnisti_ricerca_ENG.pdf is provided. One onboarding meeting per year is dedicated to PhD students (PhD Welcome) day and 2 onboarding meetings per year are dedicated to newly hired researchers and professors. Apart from these meetings, each new hired person is individually welcomed by his/her Department's governance and administrative staff. 2022: This action has been among the University's best practices and is still continuing to be implemented for newcomers</p>
