# SCHOOL OF HARD ROCK

The temple of rock music opens  
its doors to Ca' Foscari students

The International Counseling service and Hard Rock Cafe Venezia are organizing an educational experience to discover music as an essential element in understanding the historical and cultural evolution of modern society.

## The Story of Rock

Go on a **trip to the center of Music** through the most memorable songs, the historical moments and characters which played an essential role in the history of modern music.

A 40-minute class on the history of rock music will span from late-19th-century blues to the present day, inviting students to then **actively** participate in a **trivia question** on rock music and its story. Finally, a **delicious lunch set-menu** (vegetarian option available) will be offered to all participants, who can taste the favorite meal of Rockstars, namely the world-famous Hamburgers by Hard Rock Cafe!

## Wednesday

**6<sup>th</sup> December 2017**

**Meeting point:**

**Hard Rock  
Cafe Venezia,  
Bacino Orseolo,  
at 9.00 am**

## How to take part in this event

Participation is **free** (lunch included), but subject to places' availability (30 places available). Reservation required. Book your place at [www.unive.it/counseling](http://www.unive.it/counseling).

This meeting will be held **in English** and will last approximately 3 hours.
