2	ET4018	INF/01	Introduction to coding	6

* Students may add a MINOR amongst elective and extra credits. For more information see www.unive.it/pag/10478/.

** Students can be exempted from the exam by presenting English language certificates (C1 level or higher) recognised by the University, www.unive.it/language-requirements. For further information please write to didattica.economia@unive.it.

* The 12 CFU should preferably be selected from the courses that have not already been chosen, or from the electives recommended for the degree course in the following list, or in any case from the formal courses offered in the degree courses in the degree courses in Economics and Business (ET4), Business Administration (ET11) and International trade (ET3)/(ET30) International trade and tourism. Any different courses chosen are to be authorised by the Teaching Committee which will verify whether they are coherent with the proposed programme (for the application timing and procedures please check page <https://www.unive.it/pag/21222/>). Coherence refers to individual study plans and will therefore take into consideration the suitability of the motivations supplied. The study plan will not be approved if there are serious inconsistencies.

* ATTENTION Prerequisites and preparatory courses

The courses marked by " ** " are to be passed before taking any other exams with the field code indicated below.
Exams taken without the prerequisites will not be recorded.
