Bachelor's Degree in Economics and Business Summer session a.y. 2022/2023

Available places for repechage round

At the end of the acceptance procedure for the place won, the following number of places is still available:

- **38** places for the **Economics and Business** curriculum;
- **19** places for the **Economics, Markets and Finance** curriculum.

Candidates who obtained a score test equal to or higher than 9/36 in the TOLC-E or English TOLC-E test, or failed to carry out the preliminary enrolment procedure or to enrol by the 13th of September 2022, may proceed with the acceptance of the place for one of the rankings to which they have correctly pre-enrolled, regardless of the order of preference indicated and according to the places available. In order to do so, they must **fill in** the request of enrolment and **pay** the first fee by Wednesday, **21st of September 2022**.

The place assignment is carried out until all available places are assigned and according to the order in which the applications are submitted.

The number of places eventually still available will be published on the University website on **28th of September 2022** at 4 pm
