The MA programme in Economics, Finance and Sustainability is offered starting from the 2022-23 academic year. Please note that some courses of the second year are already available: students are advised to check the box *Offered in the 2022-23 a.y.*

The Teaching Committee will verify whether the elective courses chosen by the student are coherent with the proposed programme. Coherence refers to individual study plans and will therefore take into consideration the suitability of the motivations supplied. The study plan will not be approved if there are serious inconsistencies.
