

Marco Polo (MaP) - Centre for Global Europe-Asia Connections

Summer School “Uncovering Pathways of Change along the Belt and Road”

September 1-7 2019, Venice, San Servolo Island

Talented facilitators wanted!

Our Summer School is going to rely on co-creation to unearth the transformative potential of Trainees. Therefore we are looking for skilled facilitators, committed to sustain collaborative processes though the three final days of our program (September 5 to 7).

We aim at recruiting facilitators familiar with Theory-U approach and collaborative scenario-building methods. Previous academic or working experience related to the School's themes is desirable. We offer board and lodging on San Servolo Island for the entire duration of the School (September 1 to 7, 2019) and remuneration based on the level of experience in the field.

How to apply

Submit your CV to conferences@univiu.org by May 19 at 23:59 CET. Please make sure to highlight your facilitation experience and any activity–academic or otherwise–related to the topics covered by the School.
