

# CROSS-SECTORIAL RESEARCH SERIES ON SOCIAL MOVEMENTS IN SOUTHEAST ASIA - 2022

The Series aims at opening a public dialogue between different sectoral actors, from academia, advocacy entities, citizenship and public decision making. In our challenging times we think that this dialogue is crucial to address public issues in comprehensive, inclusive and democratic ways. The organizing partners aim to put these synergies to good use by creating an environment whereby authoritative knowledge and new idea(l)s can meet
