LEARNING SPACES

# A place designed to stimulate learning

– LEARNING SPACES

The lessons of the BA degree in Digital Management are held at the **H-FARM Headquarters** in Via Site 41, Roncade (Treviso).

Our university spaces are designed to allow students to get in touch with the H-FARM ecosystem, made up of innovative companies and startups.

Classrooms are arranged to facilitate a quick reconfiguration of space according to the different teaching styles.

Every classroom is equipped with audio/video digital solutions.

Lounge rooms, meeting rooms and study rooms are available to the students.

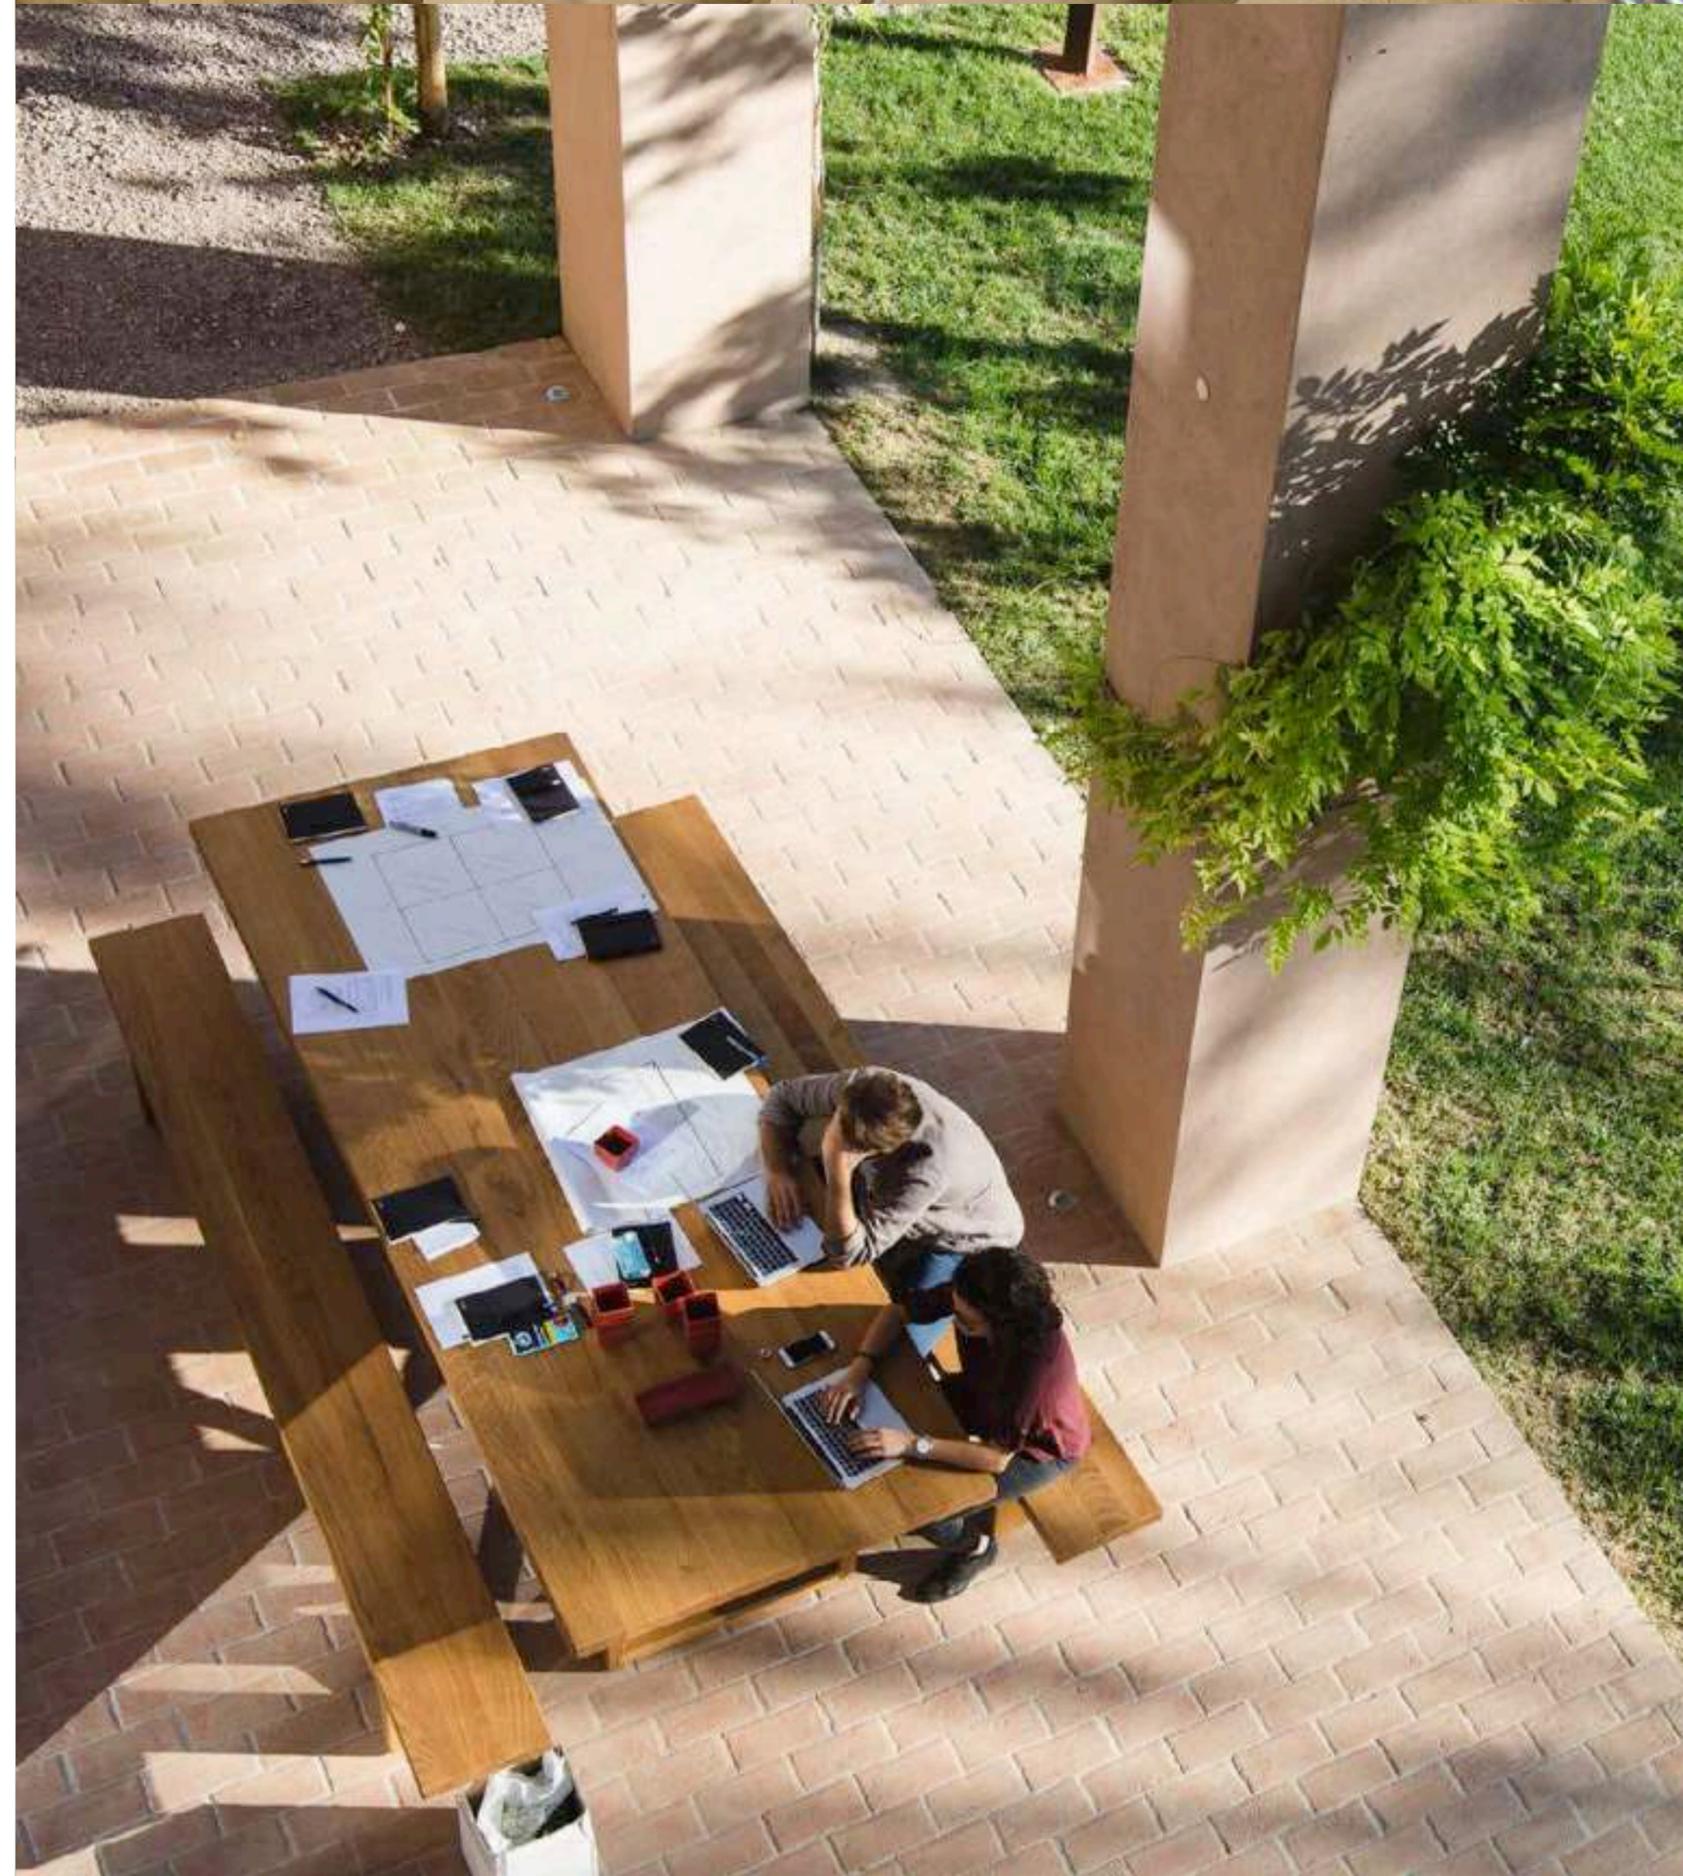

## – LEARNING SPACES

A comfortable, high-quality environment makes learning and studying easier and more stimulating.

Special attention is paid to indoor and outside spaces and to common areas, which can be used freely by the students, either for enjoying outdoor activities or working on individual or group projects.

Green areas are subject to continuous maintenance in order to ensure they are usable all year long.

# More than a cafeteria

- RESTAURANTS

Our “La Serra” in-house restaurant serves a daily express lunch menu featuring high-quality, in-season products.

It offers a complete lunch experience, a peaceful break in the middle of the fast-paced school day.

– RESTAURANTS

The mise en place and the restaurant service are organized to ensure the best service to the students.

We provide healthy meals that meet the food and nutritional requirements of our students: vegetables and fruits are balanced with proteins and carbohydrates. We pay attention to allergens and food intolerances.

– RESTAURANTS

In addition to “La Serra” restaurant, students can use the “Breaking Bread” app to have their meals delivered in one of our other locations.

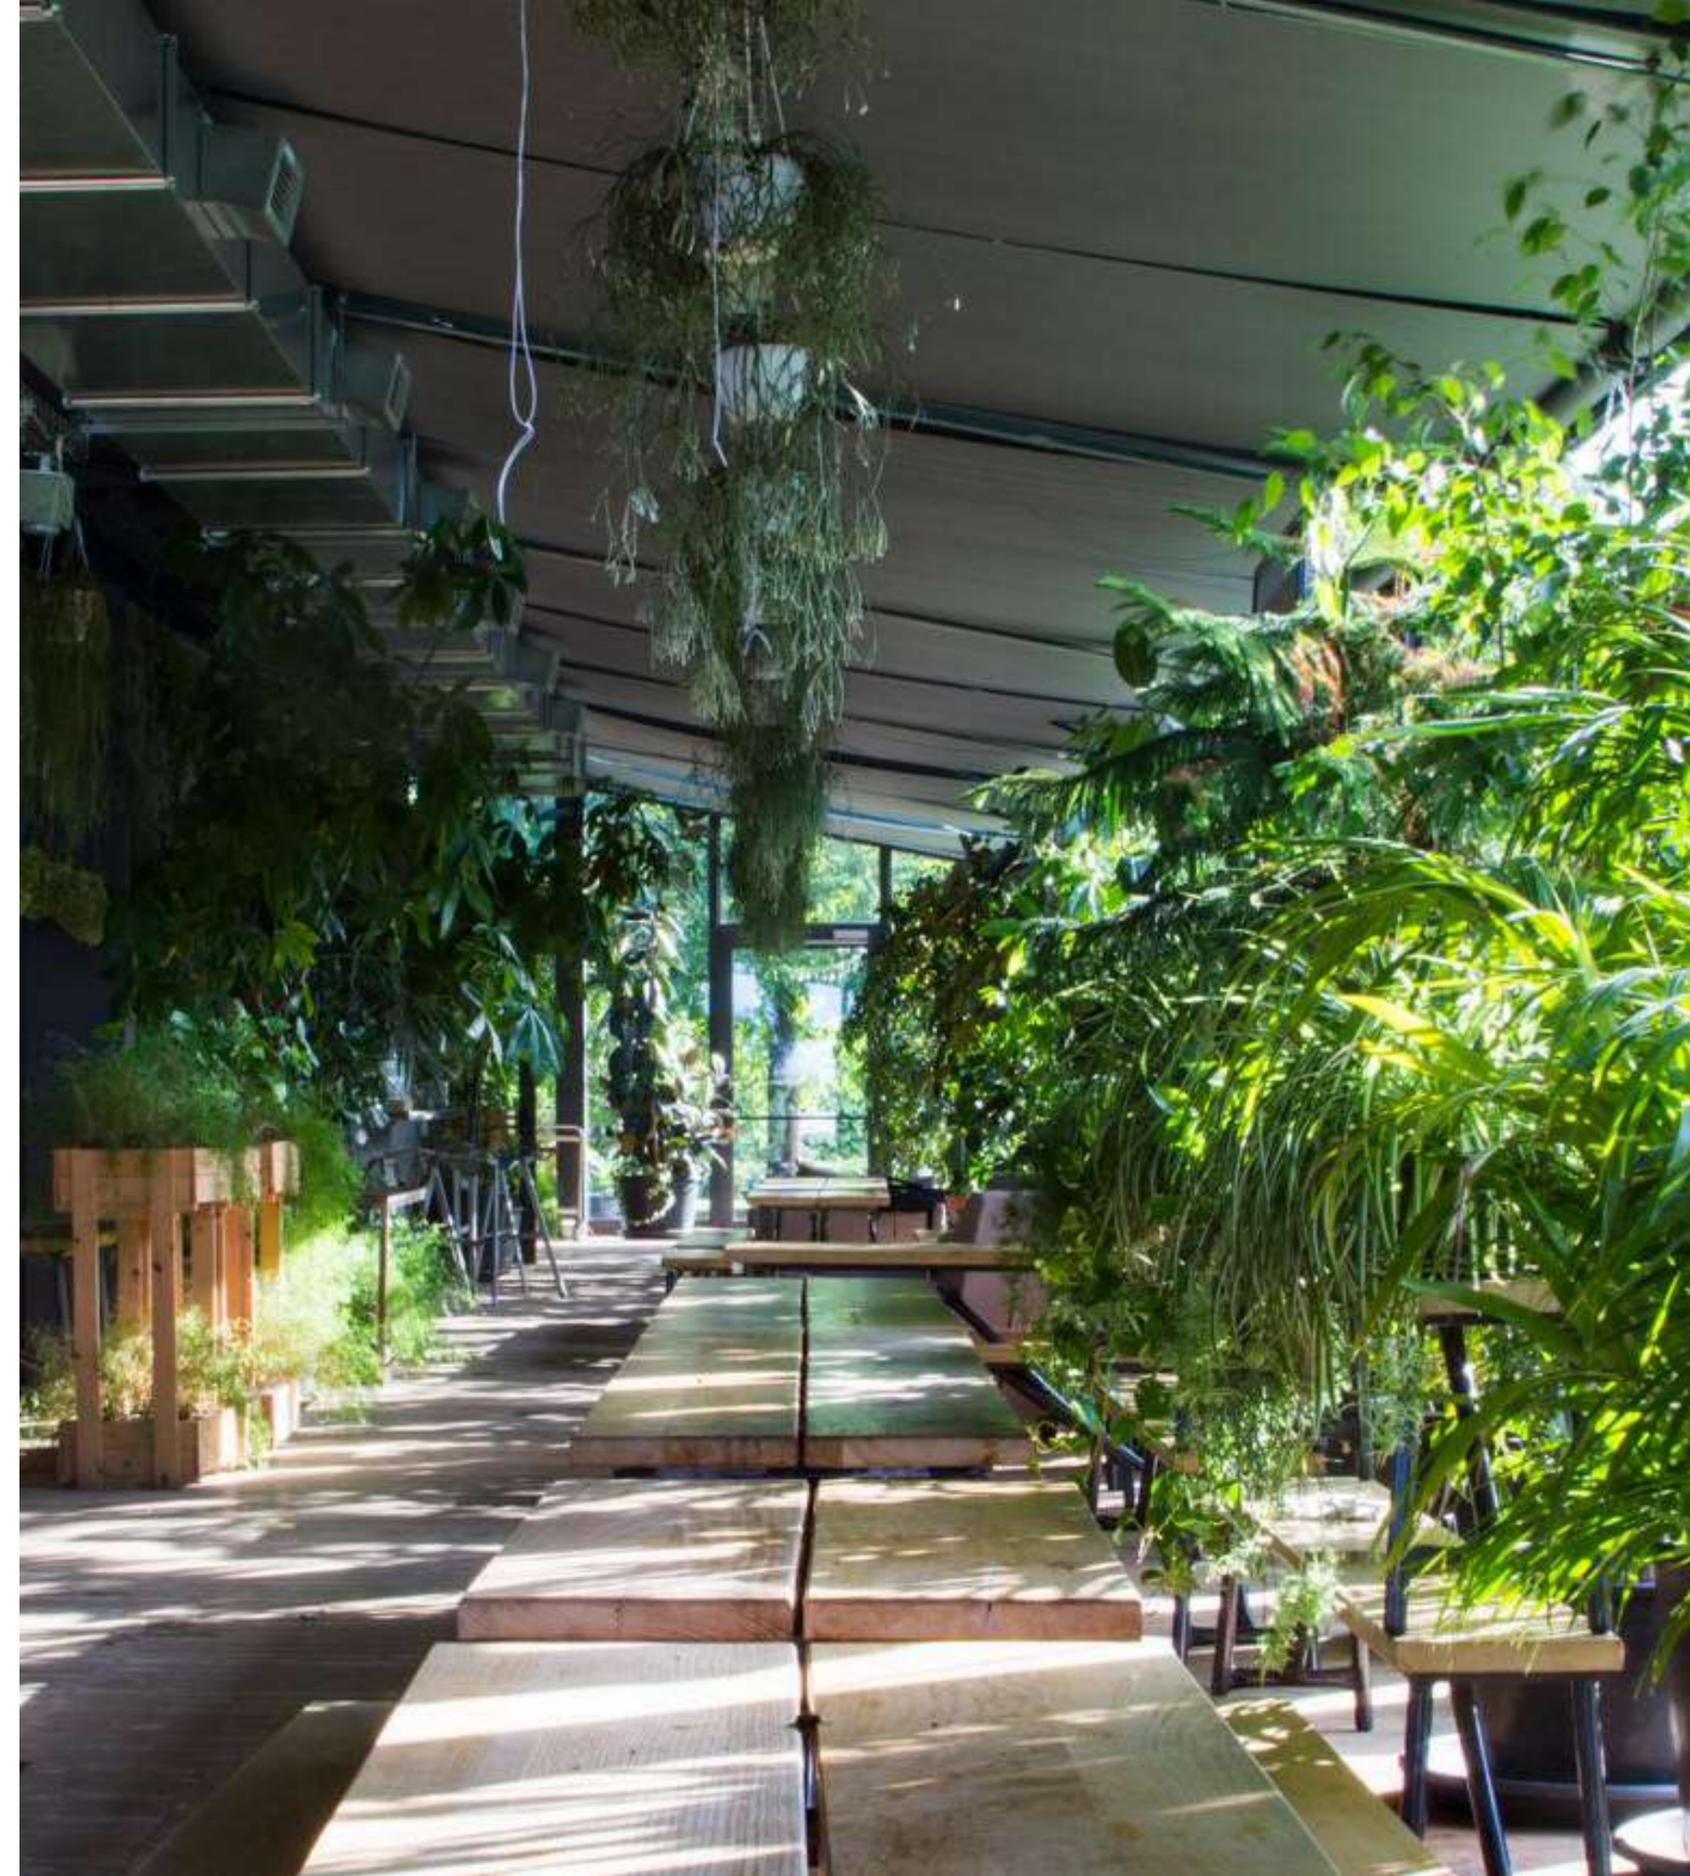

Otherwise, they can go to one of our partner restaurants, pizzerias, pubs and bars located in the surrounding area.

Students can also take advantage of our spaces to eat their own, home-prepared food.

*Price range:*

*La Serra: 4 - 9 euros*

*Breaking Bread: 4 -10 euros*

-

BOARDING

# Living a complete experience

– BOARDING

Studying here is a great all-around experience. Students can share time together both inside and outside the classroom.

If you live far from H-FARM or if you just want to optimize your time, you can stay in our dormitory “**Casa 11**”.

- BOARDING PRICES 2019-2020

**CASA 11 - FLATS**

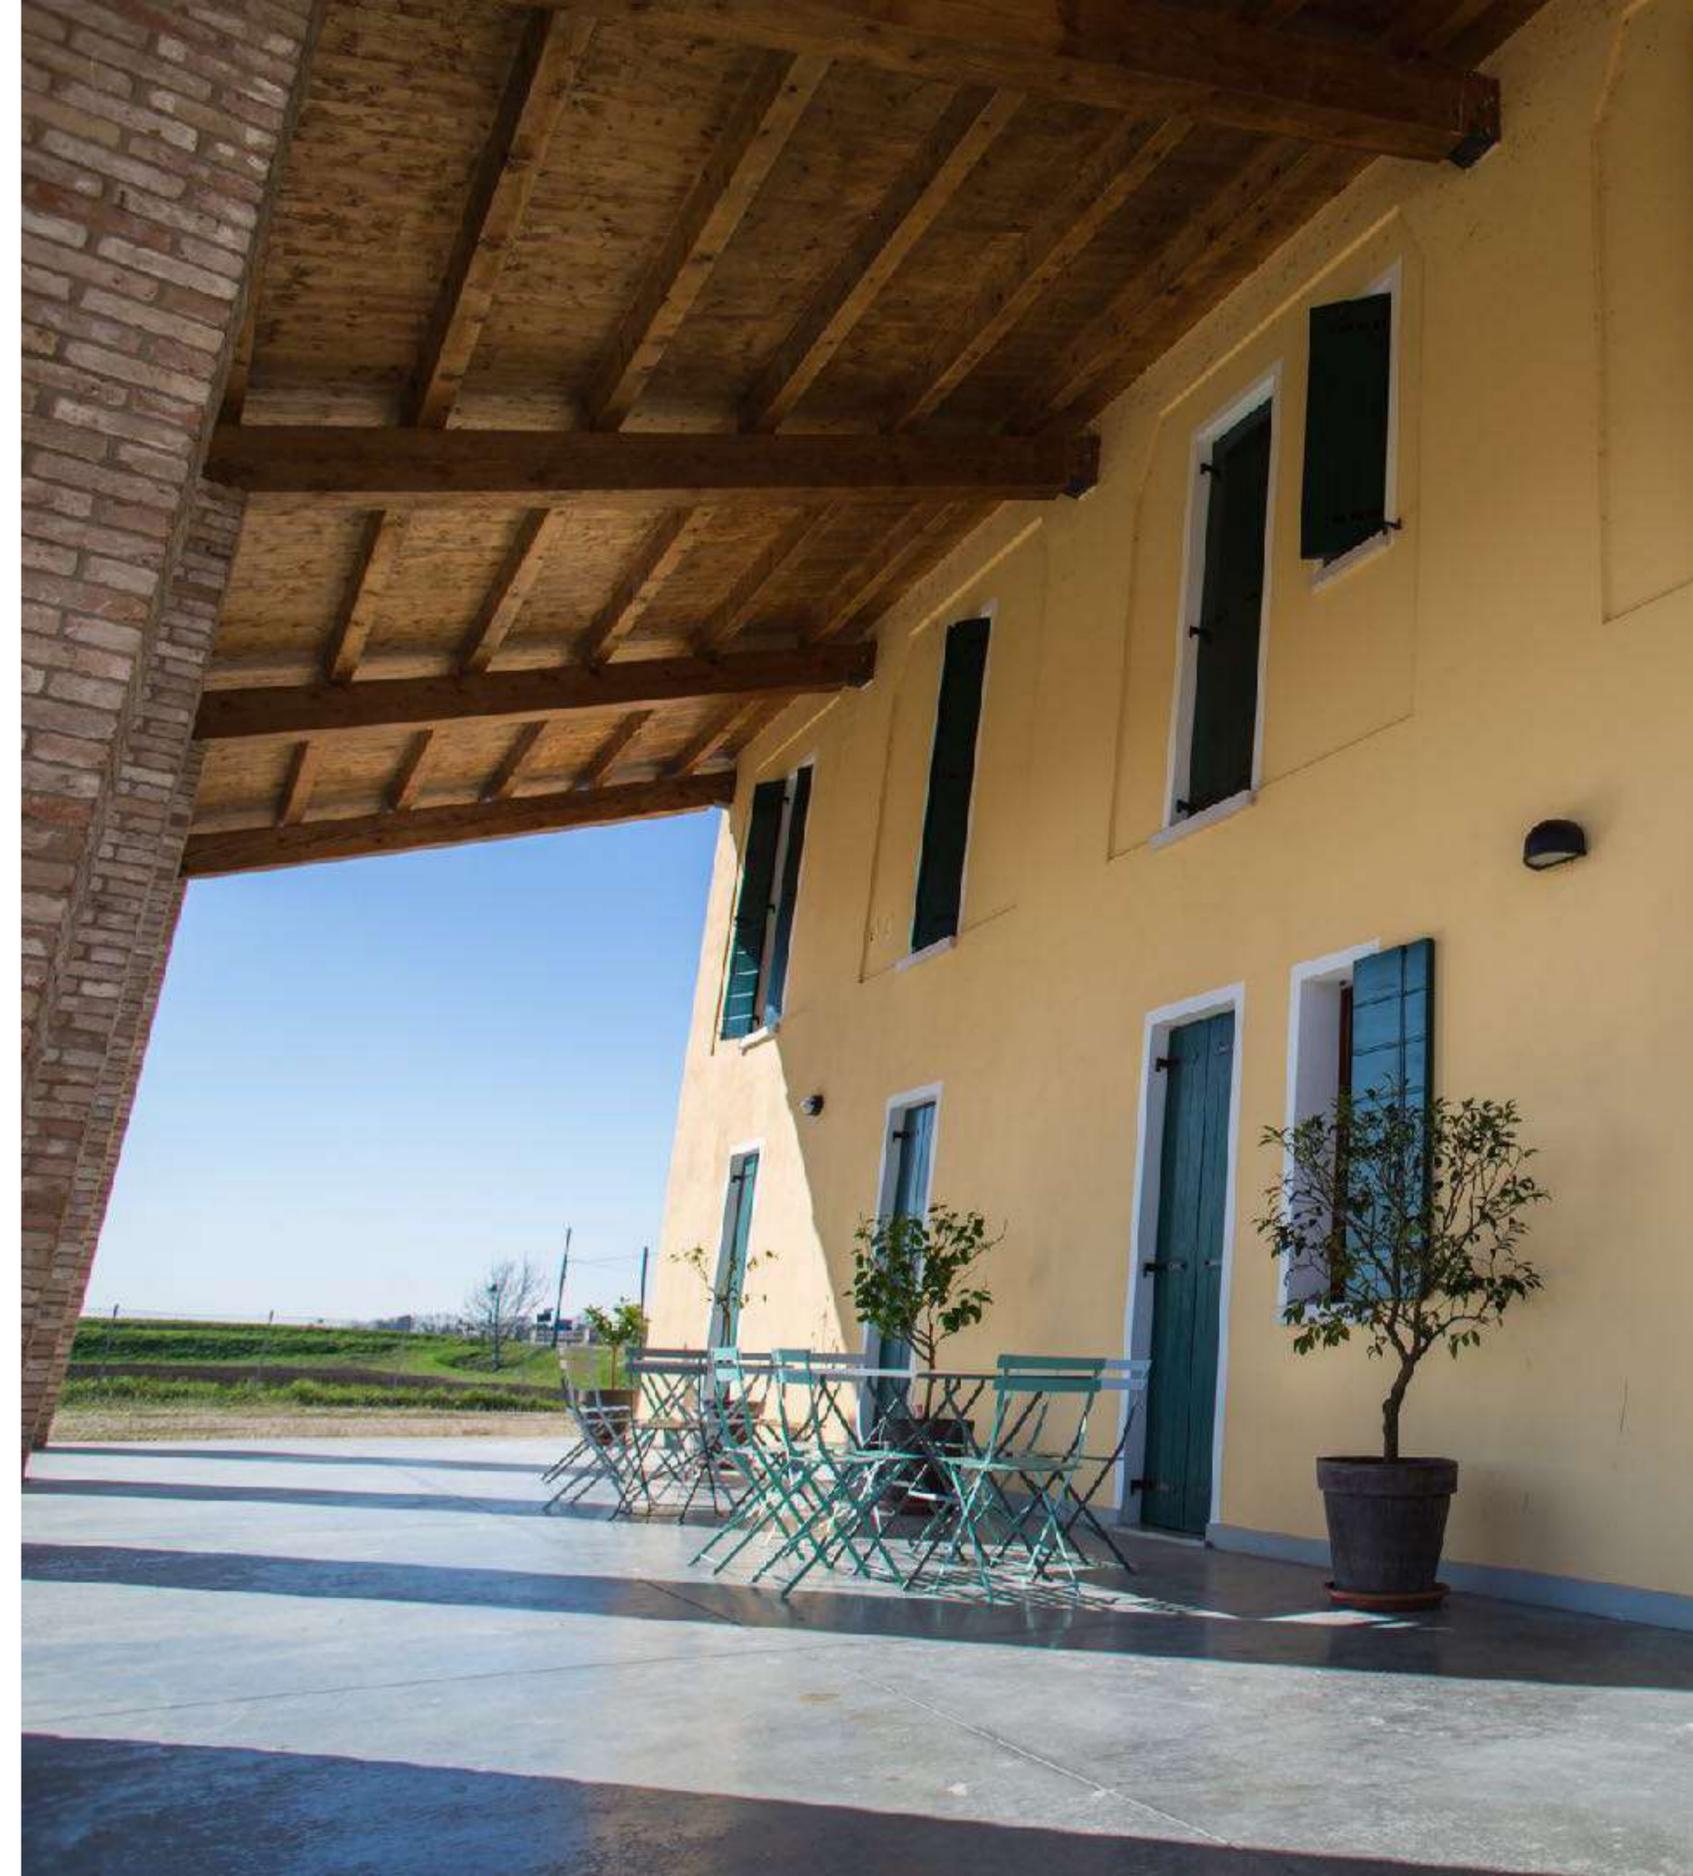

Students can stay in CASA 11: ten flats with double or single rooms with private bathrooms, equipped with kitchen, washing machine and dishwasher.

The price includes all the utilities, wi-fi connection, weekly cleaning service and linen change, and the use of a small gym.

Only for long-term stay - 9 months  
(from mid September to mid June)

- Double room- **450 €/month per student**
- Single room- **500 €/month per student**

Boarding coordinator: Penelope Vittorelli

– MOBILITY

# An open and accessible campus

– MOBILITY

Arriving to H-FARM is easy.  
A dedicated free shuttle service connects all the buildings in our Campus, as well as Quarto D'Altino train station and the main extra-urban lines (ATVO and MOM), located in Portegrandi.

People attending the Campus will also have access to H-FARM bicycles.

The campus provides 570 parking spaces, mainly reserved to our staff.

## MOBILITY
