Post-doc Fellowship at Ca' Foscari University of Venice

“Expression of Interest” for Global at Venice - call 2021

1. Interested institution (legal person):

Ca' Foscari University of Venice

2. Department/Centre:

The Department of Management in cooperation with the Ca' Foscari Competency Centre.

The Department of Management provides the students with the knowledge and skills needed to be able to work, after completing the school curriculum, in companies of all types and sizes, non-profit organizations, public companies and financial intermediaries thanks to the strong opening to the themes and managerial challenges that come from the scientific community and from the subjects of the national and international economic system. Innovation, entrepreneurship, internationality and creativity go through the specific themes of teaching and research in a logic of continuous exchange with the academic, productive, professional and institutional spheres in a perspective of sustainability and responsible development for the future generations.

The Ca' Foscari Competency Centre does research, training and consulting activities in the area concerning the development and assessment of behavioral competencies. The mission of the Ca' Foscari Competency Centre is to improve the performance and the employability of people through the development of their behavioral competencies. The Competency Centre was created in 2012 on the basis of a tradition of research on transversal skills undertaken by Ca' Foscari in the 1990s, which was at the time the first Italian institution to investigate this field. It is an internationally recognized centre for research and implementation of competency-based methodologies.
