Post-doc Fellowship at Ca' Foscari University of Venice

“Expression of Interest” for Global at Venice - call 2021

1. Interested institution (legal person):

Ca' Foscari University of Venice

2. Department/Centre:

Department of Philosophy and Cultural Heritage; Laboratory for Social research;

The activity of the Laboratory for Social Research Laboratory is aimed at carrying out sociological studies and researches, particularly focused on the transformation of the organization of work and labour market, labor market and employment relationships; the links between work and health of individuals and populations; internal and international migration, examined in the context of the processes of economic globalization; old and new social inequalities and vulnerabilities; changes in welfare systems; social citizenship and social policies, multiculturalism and interculturality.

Research Institute for Social Innovation;

Addressing social exclusion, discrimination and various forms of inequalities is a crucial challenge for the future of Europe and its citizens. The understanding of rapidly changing multicultural and multilingual societies requires a cross-disciplinary approach, spanning across the social sciences and humanities, and including law and ICT, to address issues such as gender equity and diversity, access to education, accessibility and disability rights, health and social welfare, labour markets, active ageing, demographic change, family and children protection, consumer protection, and sustainable company law.
