Call for applications for the award of scholarships for international students enrolling in Bachelor's and Master's Degree Programmes at Ca' Foscari University of Venice in the 2021/2022 academic year

ART. 1 - Nature, amount and duration

Ca' Foscari University of Venice establishes the award of up to ninety (90) one-time scholarships of € 5,000.00 minus the scholarship taxes owed to the Italian state (€ 4,575.00 net) for high-achieving international students enrolling in bachelor's and master's degree programmes in the 2021/2022 academic year.

Should the number of suitable applicants be fewer than the total amount of scholarships, the university reserves the right to assign fewer than ninety (90) scholarships.

Awarded students, unless they are also tuition fee waiver beneficiaries, are not exempt from regularly paying the tuition fee due upon enrolment.

The term "international students" describes all applicants who, regardless of their nationality, possess valid academic qualifications granting access to a bachelor's or master's degree programme in the Italian university system obtained from either a non-Italian school/university or an Italian institution located abroad.

Scholarships cannot be assigned to students enrolling in joint or double bachelor's or master's degree programmes for which the tuition fee is due to a university other than Ca' Foscari University of Venice.

Each scholarship will be assigned for a single academic year and is non-renewable.

ART. 2 – Compatibility

The scholarship is *compatible* with:

- The tuition fee waiver awarded by Ca' Foscari University of Venice.

The scholarship is *incompatible* with:

- The Scholarship for Student Financial Aid awarded by the Veneto region;
- The Scholarship awarded by Ca' Foscari's Department of Humanities;
- The total and partial vouchers offered by Ca' Foscari International College.

Candidates are required to ascertain any incompatibility between this and other scholarships by contacting the International Office / Outreach & Recruitment Unit at prospective.students@unive.it.

ART. 3 – Admission requirements

In order for scholarship applicants to be considered, they must:

1. possess a valid qualification providing access to a bachelor's or master's degree programme in the Italian university system from either a non-Italian school/university or an Italian institution located abroad. If the most recent qualification was obtained at the end of a course of study lasting only one year, the preceding qualification(s) will also be evaluated. Qualifications issued by the Republic of San Marino are considered to be Italian. The nationality of the applicant will not be taken into consideration;
2. possess the necessary requirements to access his or her chosen programme of study (these requirements can be found on the online platform apply.unive.it) either at the time of application or before enrolment at Ca' Foscari;
3. have received from Ca' Foscari a letter of enrolment eligibility for the chosen programme after completing the pre-evaluation and admission procedures on apply.unive.it. Candidates who are still in the process of obtaining their enrolment eligibility letter can nonetheless apply for a scholarship by the deadline associated with the admission round during which they are submitting their application for

admission, as specified in Art. 5: their request will be taken into consideration only if they are subsequently judged eligible for enrolment.

ART. 4 – Award of scholarships

Candidates will be evaluated based on their previous high school results if applying for admission to a bachelor's degree or their university results if applying for admission to a master's degree, as well as on the statement of purpose for the degree programme(s) to which they have applied for admission. Candidates can score up to a maximum of 100 points assigned as follows:

- a maximum of 85 points for the evaluation of the candidate's previous high school or university results, as shown in the entry qualification for the chosen programme(s). To facilitate comparison, candidates will be evaluated based on their CGPA, which will be considered in direct relation to the maximum grade awarded in their education system/university/school, as specified in Art. 5, point 2). A candidate's CGPA must be at least 7.5 out of 10 in order to be eligible;
- a maximum of 10 points for the evaluation of the statement of purpose submitted together with the candidate's application for admission to the chosen degree programme(s). In order to be evaluated, the letter must be inserted in the dedicated section of the online application form completed on the apply.unive.it platform. Other motivation letters attached in the "Documents" section of the application or sent via email will not be taken into consideration;
- a maximum of 5 points for any supplementary academic qualification (1 point per additional qualification).

The rankings will be drawn up by a commission presided over by Prof. Antonio Montefusco, the Rector's Delegate for International Reputation and Recruitment.

To do so, they must send an email clearly stating their acceptance of the scholarship to prospective.students@unive.it no later than 10 calendar days after the date of the notification. If they fail to do so, they will lose the scholarship, which will be assigned to the next suitable candidate in the ranking.

The recipient must accept all of the conditions associated with the scholarship as outlined in the present call for applications.

In the 2021/2022 academic year the recipient cannot accept the scholarships listed in Art. 2, provision 2 of the present call for applications. Students must commit not to withdraw from the chosen degree programme before 30 September 2022, under penalty of return the amount they have already received.

Students who do not register at least 6 ECTS by 30 September 2022 will have to return the amount they have already received. enrolment procedure, which must occur no later than 30 November 2021. The only exceptions are students enrolling in a master's degree programme with unlimited access during the second enrolment period (between mid-November and mid-December 2021), in which case the first instalment will be paid out no later than 31 January 2022.

The **second instalment** will be paid out no later than 28 February 2022 and only if the scholarship recipient has earned at least 18 ECTS (officially appearing on his/her transcript of records) AND has a minimum weighted average of 24/30 by the end of the January/February 2022 exam session. If the student fails in either respect, the second instalment will not be paid out.

Students enrolling in a master's degree programme with unlimited access during the second enrolment period (between mid-November and mid-December 2021) *for reasons exclusively ascribable to a delay in their study visa determined by the local Italian diplomatic and/or consular Representation* can register at least 18 ECTS with a minimum weighted average of 24/30 by the end of the May/June 2022 exam session. To this end, only the exams related to the courses of the III and IV term (for students enrolled in a master's degree programme organised in terms) or of the II semester (for students enrolled in a master's degree programme organised in semesters) will be counted.
