 - b) Career speed (ratio between the number of registered credits and the year of enrolment);
 - c) Questionnaire/Motivational Letter (only in case of *ex aequo*).

In order to calculate the average mark and career speed, only exams regularly registered by 23:59 on 11th January 2023 will be taken into account. Self-certifications or declarations issued by professors concerning exams taken but not registered by the above-mentioned deadline will not be taken into account.

- In case of transfer from another University, internal course transfer or option, only the credits earned for the study programme in which the student is currently enrolled shall be valid.
- Except as provided in the previous paragraph, credits earned from the following shall not be considered valid for the selection process:
 - a) exams/internships acknowledged in previous academic careers concluded with the award of the qualification or following withdrawal/forfeiture or other activities, even held before enrolment, for which an exemption has been granted in the career;

From 18 to 22,99	2 Points
From 23 to 27,99	5 Points

 - Students who were not selected for an Overseas mobility in the a.y. 2022/2023 will be assigned 1 extra-point in the final ranking, aimed at encouraging mobility abroad.
2. The ranking will be drawn up based on the score obtained and the preferences expressed by the students. Each student can be a winner for only one destination or a reserve for multiple destinations. Selected students will not be included in the reserve list.

Art. 6 - Ranking

1. **The ranking will be published in the Personal Area of the website www.unive.it > Mobilità internazionale > Graduatorie on January 31st 2023.** Any postponement of the ranking list will be notified on the website www.unive.it/overseas.

2. The semester chosen upon acceptance of the place cannot be modified later, unless in cases of force majeure or if the change is proposed by Ca' Foscari or by the host university. Students enrolled in the third year of a Bachelor's Degree Programme who intend to graduate either in 2024 Summer or Fall session must plan their mobility period for the second semester of the academic year 2023/2024 only. They must indeed be regularly enrolled in a Master's Degree Programme at Ca' Foscari before the beginning of their mobility period. It is recommended not to plan the mobility during the semester immediately preceding the graduation session a student intends to participate in. As a matter of fact, the time required to conclude all procedures related to the mobility might compromise the graduation.

3. Students in the reserve list might be allocated a destination following the withdrawal of selected students. They will be contacted via email at their institutional email account, starting from the day after the deadline for the acceptance of the place until the deadlines established by each partner institution for the nomination. Reserve students are, therefore, invited to check their institutional email account frequently (matriculationnumber@stud.unive.it), as the deadlines to accept the place might be tight. The International Office reserve the right to stop selecting reserves, should this be required by organizational needs.

4. Early in 2023 the International Office will host an informative meeting for selected students (the date and modality of the meeting will be communicated via email to the students who will accept the place).

5. Students who withdraw from the mobility after formally accepting the place will lose their right to participate in the Overseas Calls for application for the a.y. 2024/2025 and 2nd Call for the a.y. 2023/2024, except for documented evidence of force majeure.

6. Students participating in this Call who has already won an Overseas mobility for the a.y. 2022/2023 and who withdraw from the 2022/2023 mobility after the end of the 2023-2024

selection process, will not be considered as winners/reserves for the Call for application a.y. 2023/2024, except for documented evidence of force majeure.

7. In the event that the Host University requires a linguistic certification confirming self-certification, this must be presented by the selected student within the terms established by the Host University itself. It will be the student's responsibility to verify the requirements and documents required by the Host University. Should the Host University fail to accept the selected student due to the lack of language requirements, the selected student may lose the right to participate in the Overseas Calls for application for the a.y. 2024/2025 and in the 2nd Call for the a.y. 2023/2024. The final decision will be made by the International Office, based on each specific circumstance.

The definitive acceptance of the candidate on the basis of the ranking drawn up by Ca' Foscari is in any case granted by the Host University, which could also modify at any time the number of students admitted to the Exchange Programme, also in derogation of what is indicated in attachment "A - Destinations".

Art. 8 - Status of winners and mobility

1. Students admitted to the exchange and accepted by the Host University must be up to date with the payment of Ca' Foscari University fees for the whole duration of their mobility. They will then maintain the status of Ca' Foscari students and they will have access to all the services that the Host University offers to their students. In particular, students will be exempted from paying tuition fees to the Host University and may be admitted, at their own expense, to canteen and accommodation services and anything else provided by the University itself. Some Universities may require the student to pay extra-fees for compulsory orientation activities, health insurance, or other services.

2. At the end of the mobility period, only passed exams included in the Transcript of Records (an official document issued by the host university listing all the exams taken during the mobility) and correctly inserted in the Learning Agreement will be registered. It will not be possible to reject grades of passed exams featured in the Transcript of records and included in the Learning Agreement.

3. Bachelor's and Master's Degree students who do not pass any of the exams included in their Learning Agreement will have their mobility cancelled and will not receive any reimbursement for their expenses, except for documented evidence of force majeure.
4. Partial exams at Ca' Foscari University do not result in the registration of CFU. Therefore, students cannot insert partial exams among the academic activities they plan to have recognised upon their return.
5. Exams who are part of the PF24CFU cannot be recognized and thus cannot be inserted in the Learning Agreement and cannot be taken abroad.
6. Selected students will be responsible, at their expense, for the entry visa, payment of the amounts of international insurance (health or other) that may possibly be requested by the host universities. The latter have the right to request a medical certification concerning the health status of the candidates.
7. Selected students holding non-EU Citizenship must make sure well in advance that:
 - they hold all the travel documents required to enter and stay in the country of their mobility, by **contacting their host university, asking which documents are required** to enter and stay in the country of their mobility (immigration policies may change from country to country);
 - **apply for the necessary documents** by contacting the competent authorities (consider that the application procedures for travel documents may take more than 90 days);
 - **hold a valid Italian Permit of Stay** at the time upon their return to Italy. The Immigration Team of the International Office – Welcome Unit may support non-EU student throughout the process (immigrationteam@unive.it).
8. Some Host Universities may require selected students to demonstrate, through a financial certification, the possession of sufficient funds for self-maintenance for the agreed period of study.
9. The mobility period cannot be brought forward or postponed in order to participate in Ca' Foscari University of Venice exams or degree session.
10. The mobility period may be subject to variations due to specific needs of the Host University.
11. Possible interruptions and resumed mobility will be assessed only for reasons of documented force majeure. The mobility activities referred to in this call for applications will not be guaranteed if there is a security risk in the destination countries, defined as such by the

designated website managed by the Ministry of Foreign Affairs and International Cooperation (<https://www.viaggiare Sicuri.it>).

12. During the whole mobility selected students cannot carry out the following activities at Ca' Foscari University:

- academic activities (courses and exams, even if provided remotely);
- graduation;
- tutoring activities, student collaborations, laboratory practice, internships and equivalent activities, even if carried out remotely;
- all activities that in general might interfere with courses and all activities planned in the frame of the mobility period.

13. It is possible to carry out a traineeship during the mobility period, provided that the traineeship is promoted and supported by the Host University, that it is pre-approved by the Teaching Committee Coordinator of the student's Degree Programme/by the professor in charge and that it is compatible with the student's visa. In order to obtain the recognition of the traineeship, the student must include it in the Learning Agreement. Any other traineeship can be carried out before or after the mandatory period of stay established by the Host University.

14. If selected for the exchange program, part-time students will have to change their status to full-time students before departure and maintain the full-time student status for the entire mobility period.

15. Students must register on the portal of the Ministry of Foreign Affairs and International Cooperation: <https://www.dovesiamonelmundo.it>.
