

Prot n. 11628 del 17/02/2021

CALL FOR APPLICATIONS

ERASMUS+ FOR STUDIES PROGRAMME (EU) A.Y. 2021/2022

(deadline 10th March 2021 – h 12:00 p.m.)

ART. 1 – *Description of the Programme*

- 1. Mobilities selected through the present Call are disciplined by the provisions of the 2014-2020 Erasmus+ Programme, and financed with funds of the Call 2020.**
- The Erasmus+ for Studies Programme (EU) provides students with the opportunity to carry out a continuous mobility period for studies abroad at one of the partner universities which have sealed an inter-institutional agreement with Ca' Foscari University of Venice.
- “Continuous mobility period” means that during the whole mobility selected students cannot carry out the following activities at Ca' Foscari University:
 - Academic activities (courses and exams, even if provided remotely), except for courses and exams offered within the PF24CFU, which students can attend and take – if provided online – during the mobility;
 - Tutoring activities, student collaborations, laboratory practice, internships and equivalent activities, even if carried out remotely;
 - All activities that in general might interfere with courses and all activities planned in the frame of the mobility period.
- Students selected for an Erasmus+ mobility can benefit from a financial contribution, as per art. 6.
- Selected students will be required to comply with all procedures described at: <https://www.unive.it/data/12637/>.
- Selected students who will not conclude all mobility procedures correctly, or who will graduate before the recognition of the activities carried out during the mobility, will have their mobility cancelled and will be required to reimburse the grant received.
- Selected students must continue paying tuition fees at Ca' Foscari University of Venice during the whole mobility period. On the other hand, they will be exempted from corresponding tuition fees to the host university. Some universities, however, may require students to pay a contribution for the access to student services and public means of transport.
- In case the mobility is interrupted due to documented causes of *force majeure*, the International Office – Mobility Unit (hereafter referred to as IRO) will submit the relevant documentation to the Italian Erasmus+ National Agency INDIRE,

which will decide whether to approve the request of interruption and recognise the mobility period carried out.

9. Should selected students be subject to disciplinary action, their mobility will be cancelled and, should their mobility have already started, the IRO will ask for the reimbursement of the grant received.

ART. 2 - Admission criteria

1. The selection is open to all students regularly enrolled in a **Bachelor's Degree, Master's Degree or PhD programme** at Ca' Foscari University of Venice for the academic year 2020/2021. Applications of students who have not yet completed their enrolment procedure or are enrolled in Single Courses at the deadline of the present Call will not be taken into consideration.
2. In order to be admitted to the selection, students enrolled in a **Bachelor's Degree** must have registered in their *libretto*, by 23:59 on 10th March 2021:
 - a) At least 12 CFU, if enrolled in the first year;
 - b) At least 24 CFU, if enrolled in the second year;
 - c) At least 42 CFU, if enrolled in years following the second.

Self-certifications concerning exams taken but not registered by the above-mentioned deadline will not be accepted.

3. Students enrolled in a **Master's Degree** can apply even though they do not have any credit registered yet.
4. Students enrolled in a **PhD Programme** can apply to the present Call on condition that the administrative seat of their study programme is Ca' Foscari University of Venice.
5. All applicants must possess a level of **proficiency in the language** of instruction no lower than the one requested by the partner institution. Language requirements are specified on the website of each partner university, or at <https://www.unive.it/data/12637/>, in the 2021/2022 informative factsheet in the section "Destinations". Selected students will be required to prove their language level only after being selected, within the terms and deadlines established by the host institution.
6. **Part-time students** can apply to the present Call. However, if selected, they will have to request to change their status into full-time students before starting their mobility. The credits counted for the application (see art.2) and selection will be adjusted to the actual number of years since the student's enrolment.
7. All selected students must be regularly enrolled at Ca' Foscari University of Venice in order to sign the Grant Agreement and throughout the mobility period. **Students enrolled in the last year of a Bachelor's Degree applying to carry out a mobility during the first year of their Master's Degree must be regularly enrolled in a Master's Degree in order to sign their Grant**

Agreement. The pre-evaluation of the entry requirements procedure does not correspond to the formal enrolment and therefore will not be considered as sufficient to sign the Grant Agreement.

8. Students interested in an **Erasmus+ mobility within the framework of a Double or Joint Degree Programme** must refer to the relevant *Double and Joint Degrees Call for Applications* managed by the International Office – Counselling and Welcome Unit (jointdegree@unive.it) and do not need to apply to the present Call.

ART. 3 – Activities during the mobility

1. Selected students will be able to attend university courses and use the facilities available at the host institution without paying any extra tuition fees in addition to those that they will continue to pay to Ca' Foscari University of Venice.
2. The correct use of the forms available at <https://www.unive.it/data/12637/>, section "Procedures for outgoing Erasmus+ students a.y. 2021/2022", and the compliance with the approved Online Learning Agreement (hereafter referred to as OLA) will ensure to selected students the recognition of the activities carried out during their mobility, according to what agreed before their departure with the academic coordinator, and through the transferring of the relevant credits and the equivalent grades into their academic career.
3. The study activity that can be carried out during the mobility includes attendance to courses and access to the corresponding exams, as well as research activity for the final thesis: the latter, however, will not result in the registration of credits in the academic career of the student.
4. Students enrolled in a Bachelor's or Master's Degree Programme interested in carrying out research activity for the final thesis must necessarily combine this activity with courses and exams. Students enrolled in a PhD Programme are not subject to this restriction, and are allowed to carry out research activity only.
5. **Bachelor's and Master's Degree students who do not take any of the exams inserted in their OLA will have their mobility cancelled and will be asked to reimburse the grant already received.**
6. At the end of the mobility period, only passed exams included in the Transcript of Records (an official document issued by the host university listing all the exams taken during the mobility) and correctly inserted in the OLA will be registered. **It is not possible to reject grades** of passed exams featured in the Transcript of records and included in the OLA.
7. Partial exams at Ca' Foscari University do not result in the registration of CFU. Therefore, students cannot insert partial exams among the academic activities they plan to have recognised upon their return.
8. It is possible to combine the study activity with an internship activity, on condition that the latter is patronised by the host institution and included in the OLA

ART. 4 – Destinations

1. The list of destinations is available at: <https://www.unive.it/data/12637/>, section “Destinations”.
2. **The selection of the destination must be made according to the following instructions, listed at <https://www.unive.it/data/12637/>, section “Destinations”:**
 - a) Disciplinary area;
 - b) Department/Faculty/School with which the agreement has been sealed, and its study offer;
 - c) Language requirements, as well as entry academic requirements;
 - d) Any additional restriction.
3. **The number of places/months available can be modified following the publication of the present Call, in case of variations imposed by national and European authorities managing the Programme, or by partner universities.**
4. Students enrolled in the third or following years of a Bachelor’s Degree can apply to carry out a mobility during the first year of the Master’s Degree, upon verification of the requirements described in Art.2, paragraph 2. In this case, they must select destinations open to Master’s Degree students.
5. The evaluation Committee will not take responsibility for applications incompatible with the selected destinations.

ART. 5 – Duration of the mobility period

1. Students can carry out more than one Erasmus+ mobility during their academic career. The total mobility period, however, must not exceed 12 months for each study cycle (12 months during the Bachelor’s Degree, 12 months during the Master’s Degree, 12 months during the PhD programme). In order to calculate the total mobility period, all Erasmus+ mobilities will be taken into account (Erasmus+ for studies, Erasmus+ International Credit Mobility, Erasmus+ for Traineeship), including previous mobilities carried out while enrolled at other Universities.
2. **The mobility period must not start before 1st June 2021 and must not finish after 30th September 2022.**
3. The overall mobility must not last for less than 90 days and must not exceed 12 months. Exceptions to the minimum duration (90 days) can be made only in case the partner university confirms that the official term lasts for less than 90 days.
4. The expected **duration of the mobility period** is established by each agreement (see <https://www.unive.it/data/12637/>, section “Destinations”), and it generally cannot be modified. The actual duration of the mobility, however, will depend on the academic calendar of each host university, and may differ by days or weeks.

Requests of reduction of the mobility period will possibly be taken into consideration only in case of documented causes of *force majeure*.

5. Students enrolled in the third year of a Bachelor's Degree Programme who plan to graduate in the 2021 autumn session must select destinations for one-term or one-semester (up to 6 months) mobilities and plan their mobility period during the second semester of a.y. 2021/2022.
6. It is recommended not to plan the mobility during the semester immediately preceding the graduation session a student intends to participate in. As a matter of fact, the time required to conclude all procedures related to the mobility might compromise the graduation in the desired session.
7. Any interruption of the regular academic activity at the host university must be promptly communicated to the IRO, which will decide which measures to adopt.

ART. 6 - Grant

1. Students selected to carry out an Erasmus+ mobility for studies during the a.y. 2021/2022 can benefit from two different forms of funding:
 - a) Grant from the European Commission (Italian Erasmus+ National Agency INDIRE), as per Annex 1 to the present Call; in case of insufficient funds to cover the mobilities of all selected students, the contribution might be reduced;
 - b) Grant funded by the Ministry of University (hereafter referred to as MUR) with a budget amounting to 500,384 Euros. The amounts related to this grant will be defined after the acquisition of the following data:
 - Number of selected students eligible for the grant;
 - ISEE indicator of all eligible selected students.

2. ISEE request in order to be eligible for the MUR grant:

In order to be eligible for the grant mentioned in Art. 6 paragraph 1 point b, students must request the 2021 ISEE certificate valid to access all forms of university financial aid by 15th April 2021. The certificate must not show omissions/discrepancies. Selected students must request the ISEE for financial aid by compiling the DSU self-certification form concerning the composition of their household and the income and asset situation of each member of the household. This can be done either by students themselves by filling in the form in the "online services" section of the INPS website (www.inps.it) or with the help of a CAF centre or professional tax consultant. Should more than one student from the same household be applying for financial aid, the certification must contain a note specifying that the ISEE applies to financial aid for each student concerned, whose Fiscal Code must be indicated on the document.

Students must NOT submit any hard copy of their 2021 ISEE certification to the IRO, which will access it directly from the INPS database. On average, the ISEE certification is issued within 10 working days from the completion of the DSU. In order to be eligible for the grant as per paragraph 1 b) of the present Article, the date of completion of DSU will be taken into account.

Non-Italian students or Italian students residing abroad: according to Italian Law, the actual income and asset situation of foreign students or Italian students residing abroad is defined through the I.S.E.E.E. indicator, which is obtained by combining and assessing the total sum of the income earned abroad and the 20% of the asset possessed abroad. Non-Italian students or Italian students residing abroad income and asset situation is defined through the ISEE/ISPE *parificato* indicator. **These students can request the ISEE *parificato* at any CAF centre and must submit it via email at erasmus@unive.it by 15th April 2021. Students who need to request the ISEE *parificato* are invited to refer to the CAF affiliated to Ca' Foscari University of Venice: CAF CGL, Venezia, Fondamenta del Gafaro 3536 - tel. 041/5491188, where they can access the service for free.**

3. The Italian Erasmus+ National Agency INDIRE might provide **additional funds for selected students whose physical, psychological or, more generally, health conditions prevent them from participating in the Programme without an additional contribution.** The IRO will inform all students on the procedures to access this funding.

ART. 7 – Academic Incentives

1. Students who will carry out a mobility within the framework of the Erasmus+ for Studies Programme during the a.y. 2021/2022 and obtain the recognition at Ca' Foscari University of Venice of **at least 6 CFU** resulting from the activities carried out abroad, will be awarded a bonus on the final degree score, according to the decisions of the Academic Senate (see <https://www.unive.it/pag/11105/>).
2. Students who will carry out an internship activity during their Erasmus+ mobility for studies will be awarded a bonus on the final degree score, according to the decisions of the Academic Senate (see <https://www.unive.it/pag/11105/>).

ART. 8 – How to Apply

1. In order to apply, students must complete their application online, by accessing on the website <https://www.unive.it/pag/13526/> their Personal Area > Mobilità internazionale > Bandi di mobilità. Students must fill in all the required fields and sections, **by 12:00pm (noon) on 10th March 2021.**
2. The application procedure is divided into two steps, both mandatory:
 - a) Filling in the Motivation Letter/Questionnaire;
 - b) Click on *iscrizione al bando*, and select the priority for each destination using the drop-down menu.
3. In order to complete the online application, students can check the Guidelines for Online Application Procedure, available at <https://www.unive.it/data/12637/> section "How to Participate". **As explained in the afore-mentioned guidelines, applicants must NOT attach any file to the section "Allegati". Any attachment will not be taken into consideration for the selection.**
4. **Students can select up to 5 destinations, in order of priority, from one Department.** Applications indicating more than 5 destinations or destinations from different departments will be discarded during the selection procedure. In this case, ALL applications submitted by the student will be discarded. Should an applicant be interested in less than 5 destinations, they can select less.
5. **Students enrolled in a PhD Programme must submit – in addition to the online application - a letter from their Supervisor to certify the progress of their research activity.** The letter must be sent, penalty of exclusion, by 12:00 pm (noon) on 10th March 2021 to the IRO via email to: erasmusout@unive.it (indicating as subject: APPLICATION ERASMUS 2021/2022- PhD STUDENT).
6. **Students graduating in the extraordinary session of a Bachelor's Degree, who were not required to pay the first instalment of tuition fees for the academic year 2020/2021, and who consequently cannot use the online procedure, must submit their application by writing to erasmusout@unive.it by 8th March 2021** (indicating as subject: APPLICATION ERASMUS 2021/2022- GRADUAND).
7. Applicants with disabilities are invited to contact the IRO well in advance of the deadline of the Call, should they need support to submit the application, and to receive information on the services made available by the partner universities.
8. **Any reports of technical malfunctions** in the online application will be collected by the IRO exclusively **via email to erasmusout@unive.it by 12:00 p.m. (noon) on 10th March 2021.** The IRO will consider whether to accept each report.
9. Erroneous or incomplete applications, as well as applications submitted after the deadline will be discarded.

ART. 9- Rankings and acceptance of the place

1. For students enrolled in a **Bachelor's** or **Master's Degree**, the IRO will draw up a ranking based on the following criteria:
 - a) Average mark of registered exams, normalised as compared to the average mark for students enrolled in the same study programme;
 - b) Career speed (ratio between the number of registered credits and the year of enrolment);
 - c) Enrolment in the selected department (only for some Departments – see chart below);
 - d) Questionnaire/Motivational Letter (only in case of *ex aequo*).

The weight placed (from 0 to 1) on the above-mentioned criterion a), b) and c) by each Departmental Erasmus Committee are the following:

	DSU	DSLCC	DEC	DMA	DSAAM	DAIS	DSMN	DFBC
Average Mark	1	1	0,5	1	1	1	1	1
Carreer Speed	1	1	1	1	1	1	1	1
Enrolment in the selected Department	1	0	0	0	1	1	1	0,5

2. **In order to calculate the average mark and career speed only exams regularly registered by 23:59 on 10th March 2021 will be taken into account.** Self-certifications or declarations issued by professors concerning exams taken but not registered by the above-mentioned deadline will not be taken into account.
3. Students enrolled in a PhD Programme will be evaluated exclusively on the basis of the Questionnaire/Motivational Letter and the letter of the Supervisor.
4. **Students who did not carry out an Erasmus+ mobility for studies (Europe) both during a.y. 2019/2020 and a.y. 2020/2021, will be awarded 1 bonus point in the final ranking.** Mobilities planned for the a.y. 2020/2021 which are still to begin will be in all respects considered as carried out.
5. Destinations will be allocated to selected students based on the score obtained, subject to availability of places for each destination.
6. Applications that will not comply with the specific restrictions indicated at <https://www.unive.it/data/12637/>, section "Destinations" will be discarded.
7. **Each student can be selected for only one destination or be a reserve for multiple destinations. Selected students will not be included in the reserve lists. The ranking will include the names of reserve students up to the 15th position.**

8. **The rankings for all Departments will be published in the Personal Area at www.unive.it (section “Mobilità Internazionale”) by 2nd April 2021.** Any postponements of the ranking list will be notified on the website at: <https://www.unive.it/data/12637/>.

Formal acceptance of the place must be made by selected students by 2 p.m. on 6 th April 2021 by filling in the online form available at <https://forms.gle/TA7FGoUvEg5PF1YF6>.

When filling in the form for the acceptance of the place, students selected for a mobility up to 6 months can specify the semester during which they wish to carry out their mobility, in compliance with specific restrictions indicated in the “Destinations” section of the website: <https://www.unive.it/data/12637/>.

Students enrolled in the third year of a Bachelor's Degree who plan to graduate in the autumn session of 2021 will have to programme their mobility period for the second semester of the academic year 2021/2022, upon enrolment in a Master's Degree at Ca' Foscari University of Venice.

9. **Not completing or failing to complete the form by the deadline will result in the revocation of the mobility.**
10. Selected students who do not wish to accept the place must abstain from filling in the form. **If a student withdraws from the mobility after formally accepting the place, he/she will lose the right to participate in the Call for Applications for the new Erasmus Programme for the a.y. 2022/2023, except in case of documented causes of *force majeure*.**
11. **Students in the reserve list will not have to fill in the acceptance form, as they will be contacted via email in case selected students decide to cancel their mobility.**
12. Selected students who will not meet the entry requirements established by the host university during the Application procedure might be rejected following the publication of the ranking and the acceptance of the place. The rejection by the host university will result in the revocation of the mobility.
13. **Host universities may at any time modify the planning of mobilities, in terms of number of available places, months and semester of mobility.**

ART. 10 – Repechage of reserve students

1. Students in the reserve list might be allocated a destination following the withdrawal of selected students. They will be contacted via email at their institutional email account, starting from the day after the deadline for the acceptance of the place until the deadlines established by each partner institution for the nomination. Reserve students are, therefore, invited to check their institutional email account frequently (matriculationnumber@stud.unive.it), as the deadlines to accept the place might be tight.

2. **Reserve students who will withdraw from their mobility after formally accepting the place will lose the right to apply to the Call for Applications for the new Erasmus Programme for the a.y. 2022/2023, except for documented causes of *force majeure*.**

ART. 11 – Informative meetings

1. Students are invited to join the departmental informative meetings, which will be held online by IRO staff members and professors. For each meeting there is a maximum number of 300 participants. Reservations are not required.
