# Exams and grades

The Italian grading system works on a scale from 18 to 30. 18 is the lowest passing grade (sufficiency).
30 is the highest grade. In case of particularly outstanding exams, the professor can assign the so-called "lode" and the grade is registered as 30 cum laude (30L). Only if you pass the exam you will obtain the relevant credits (CFU - Crediti Formativi Universitari = ECTS – European Credit Transfer System). Exams usually give 6 or 12 credits.
All passed exams will appear in the Transcript of records issued at the end of your mobility.

**Please note:** you can only register for exams included in your online booklet.
