## INTERNSHIP

The Career Service deals with the organization and management of international internships for all students enrolled in bachelor's, master's and PhD degree programmes as well as for alumni who have graduated in the past 12 months, including traineeships funded by the European Erasmus+ programme.

### Services

- **Posting of Internship Offers:** Companies interested in offering Ca' Foscari students/graduates internships can do so by posting an internship offer. All you have to do is compile the **online Internship offer form**.
- **Extrapolation of a list of names and complete CVs** in Italian, where available, of alumni who have graduated over 12 months previously;

## PLACEMENT

The Ca' Foscari Career Service offers an integrated system of services intended both for graduating students/recent graduates and for Italian and international enterprises, in order to **promote employability and provide adequate responses to corporate recruiting needs**.

From intermediation to the organization of on-campus events and encounters with HR, the Career Services corporate services are designed to identify professional profiles meeting companies' recruiting needs.

### Services

- **Posting of Job Offers:** Companies interested in posting an offer for their international branches through the Ca' Foscari university must fill in the **job offer posting form**. Companies seeking candidates with at least one year of professional experience can publish their offer specifying the target. This service is organized together with the Ca' Foscari Alumni association.
- **Job Posting:** the most suitable applicants from the CV's database of Careers Office are selected and notified by email with the promotion of company's job description;
- **Pre-selection of candidates** on the basis of objective criteria supplied by the company (minimum of one profile sought – maximum 3 profiles sought)
- **Talents Research Program:** The Careers Office can publish, free of charge, Graduate Programs, Business Games and events organized by institutions and companies under the section "Stage and Placement" (Bulletin board), also using companies own Social media accounts.

- **The Company is looking for you:** the office organizes a limited number of meetings with students and graduates, through presentations to be included in the annual program, according to the availability of space and time defined by the academic calendar. The periods to organize these events can be from February to April and from October to December.
- **Recruiting Events:** Ca' Foscari Career Days are recruiting events that for all the students and recent graduates of the study areas of the University: Economics, Linguistics, Chemistry / Environmental Sciences, Information Technology and Humanities. The industry specific event also includes also an international section, dedicated to companies and organizations interested in selecting young students and recent graduates in order to offer them internships or job opportunities abroad.
