International Master
in Economics and Finance

24th edition

September 2020 – December 2021
San Giobbe Economics Campus, Venice

PROGRAMME AND COURSES

Thanks to its international faculty, the aim of the **International Master in Economics and Finance (IMEF)** is to train students to acquire a deeper and more sophisticated knowledge of the economic analysis of markets and financial institutions.

The primary function of the Master is to facilitate the entry of students into the domestic and international labour market by providing them with the most recent investigation tools, at both theoretical and applied level, thus preparing specialists in the fields of the analysis of financial markets, risk management, banking and corporate finance.

A SUCCESSFUL CAREER

This programme is particularly interesting and relevant to those working in, or planning to work in:

- capital markets, trading and risk management
- investment management, security analysis and broking
- finance function, controller's department or treasury operations of industrial, commercial, and service organisations
- investment, retail or commercial banking
- corporate finance or restructuring, venture capital
- corporate planning and consultancy
- other professional organisations, such as accountancy firms, regulatory bodies, legal firms, property consultants, commodity businesses and investor relations specialists
- finance within the public sector and no profit organisations, including central banks, local/national governments and international organisations

Our IMEF graduated students are now employed in:

European Central Bank (Frankfurt)
Barclays Global Investors (London)
Continuum Economics (New York), **BnpParibas** (London)
Lloyd's of London, Rabobank Utrecht en Omstreken, Cohen Bros. & Co. (New York)
Olsen Financial Technologies GmbH (Zürich)
