

Scholarship Ranking Foundation Year 2021/2022

Students who have WINNER next to their name are recipients of the Foundation Year 21/22 €2,000 scholarship (these students are exempt from paying the third fee instalment). Each scholarship recipient must accept his or her scholarship within 5 days of receiving email notification. Scholarship winners' responsibilities are outlined in the Call for Applications.

Students who have RANKED next to their name are eligible for a scholarship, should one of the winning students choose not to accept it.

Students who applied for the scholarship but are not on this list did not meet the requirements or failed to provide the correct documentation.
