STEP 2 PLACEMENT TEST

- Click on “Test di piazzamento di italiano”

Test di Piazzamento di Italiano

Test di Piazzamento di Italiano

Il placement test (test di piazzamento) è un test adattivo. Lo studente sceglie il livello di partenza attraverso l'autovalutazione delle proprie conoscenze della lingua sulla base del Quadro di Riferimento Europeo per le Lingue (CEF). Il livello finale è definito in base alla percentuale di risposte corrette e sbagliate, che può confermare il livello iniziale o modificarlo (sia in senso migliorativo che peggiorativo). Il test prevede esercizi di scelta multipla, vero o falso e di completamento, volti a verificare le proprie abilità linguistiche, comprensione scritta e orale, conoscenze grammaticali e lessicali.

Il test è a tempo ed è necessario completarlo entro 2 ore dall'inizio. In caso contrario, allo scadere di tale arco di tempo, la sessione verrà chiusa automaticamente e il sistema memorizzerà il livello raggiunto nell'ultima sessione. Si ricorda inoltre che per i successivi 6 mesi non sarà possibile effettuare un altro test di piazzamento per la stessa lingua.

Per la visualizzazione e l'ascolto dei file multimediali è necessario avere installato la plug-in Flash nel proprio browser ed essere muniti di cuffie o casse.
