![Placement test screen]
5- The upcoming screen shows the following:

![Placement Test Screen](image1)

6- You can now start your test by clicking on “A1”:

![Start Attempt Screen](image2)

7- Click on “Attempt quiz now” and then “Start attempt” as shown below:

![Start Attempt Screen](image3)

➢ The placement test assesses the level of a student’s knowledge of Italian as far as reading, listening, grammar and lexical skills are concerned.
➢ You can only start from level A1 and if your result is equal to or greater than 60/100 of correct answers, the system will submit the set of exercises for the next level, otherwise the given level will be confirmed and it will not be possible to take the following one.

➢ The test consists of multiple choice, true/false and gap filling exercises and can be taken only once. Only one option is correct.

➢ You can give only one answer.

➢ It's a timed test and each level has a time limit within which the test should be completed.

N.B. Make sure you answer all questions in the exercises since no revision is possible!

8- At the end of your attempt on your level click on “Submit all and finish”.

9- If your result is equal to or greater than 70/100, you can start the next level of exercises otherwise your final placement result will be displayed as shown below:
Please note that you are not allowed to use:

- dictionaries;
- grammar books;
- textbooks;
- any other linguistic support (electronic devices, e-readers, e-dictionaries; friends who know Italian etc.)
