XIV International Symposium of the Spanish Society for the Didactics of Language and Literature (SEDLL)

The Spanish Society for the Didactics of Language and Literature (SEDLL) is pleased to announce the XIV *SEDLL* International Symposium, entitled *New Challenges and Horizons in Research into the Didactics of Language and Literature in the Post-communicative and Emotional Era*.

The Symposium is organised by the Department of Linguistics and Comparative Cultural Studies of Ca' Foscari University of Venice, in collaboration with the Spanish Society for the Didactics of Language and Literature (SEDLL), and will take place at the *Campus Treviso* of Ca' Foscari University of Venice (Treviso, Italy), from 6th to 8th April 2020.

Following recent developments in the didactics of language and literature, the XIV International Symposium of the SEDLL aims to address two innovative research perspectives that have been triggering the interest of scholars and researchers in the field of didactics, i.e. the post-communicative approach and the role of emotions in language teaching.

MAIN ADDRESSEES

- Scholars and researchers in the field of language and literature didactics, in Spain as well as in other countries
- Language and literature teachers (all educational levels)
- Spanish as a Foreign Language (*ELE*) teachers (all educational levels)
- Foreign language teachers (all educational levels)
- Associations of foreign language and literature teachers (especially of Spanish as a foreign language)
- Associations of Hispanists
- PhD or MA candidates in the field of languages and literatures, and language and literature didactics

OBJECTIVES

The Symposium has two key objectives:

- to shed light on the contribution of the post-communicative approach to the didactics of language and literature
- to address the role of emotions in the didactics of language and literature.

MORE SPECIFICALLY, THE SYMPOSIUM AIMS TO:

- disseminate research in the field of language and literature
- exchange research experiences in the didactics of language and literature
- track advancement in the didactics of Spanish as a Foreign Language thanks to the contribution of ICTs.
- re-think the concept of evaluation in the didactics of language and literature
- deepen the renewed role of linguistic mediation in the light of the changes in the *CEFR*.
