Evening rate	€ 2,250.00	€ 2,550.00

NOTES

1) The new pricing scheme includes two distinct rates:
a) **INTERNAL RATE**: a flat-rate contribution for University staff; b) **EXTERNAL RATE**: for non-University users.

a) The **internal rate** is a flat-rate contribution applicable to university staff and offices for internal events and/or events co-organised with external partners. Internal structures are required to pay the flat-rate contribution only on public holidays, on the days preceding public holidays, in the evenings, or whenever the request indicates opening the venues outside normal hours. Payment is also due when internal staff or offices organise commercial activities, or when the event generates revenue to support the initiative.

This contribution, when due, is exempt from VAT when the University manages the event. In rare cases where this rate is applied to external bodies engaged in joint projects with the University, standard VAT regulations will apply.

PLEASE NOTE: The flat-rate contribution does not apply to institutional activities such as teaching, research, and public engagement whenever they are conducted on weekdays.

b) The external rate applies to users who are not part of the University and requires an administrative concession procedure. VAT is applicable.

2) The listed rates apply to individual bookings. Special requests or concessions involving multiple days or the use of various spaces can be assessed as a package.

3) The University reserves the right to suspend or postpone space concessions in the event of force majeure. The University will endeavour to provide alternative spaces of equal quality.

4) Other indoor and outdoor University spaces not included in this list can also be made available, with rates

defined on a case-by-case basis, subject to availability and compatibility. In particular, the **Ca' Foscari Espozioni** spaces may be available for both internal and external events, with rates estimated based on the specific request.

5) The Rectorate Hall may be assigned to internal or external entities upon request, subject to approval by the Rectorate and a tailored pricing estimate, depending on institutional commitments.

The use of the Ca' Foscari Entrance Hall is permitted only in specific cases, subject to prior authorisation. It must also be compatible with scheduled activities and work of the offices within the building.

6) For all administrative and accounting procedures and for further information, please consult the "Meeting and Event Spaces" webpage and refer to the relevant office listed there.

The estimated cost includes:

- Electricity
- Heating/air conditioning
- Use of the venue's standard equipment
- Standard cleaning service

The estimated cost does not include:

- Portage (it must always be authorised in advance)
- Technical staff to operate equipment, (unless included in the room's standard provision)
- Any service not explicitly mentioned under "The estimated cost includes"

WHEN PAYMENT IS DUE

Type of event	Rate	When payment is due	+ 22% VAT
