Other useful information

Departures are planned for the 1st year of master's degree in 2024/25. Students must follow the courses of the 1st year at CNU, which are taught entirely in Chinese language.

Upon arrival at CNU, students are required to take an entrance test to determine their language proficiency. Depending on the test result, students may need to take an additional Chinese language course.

In the 2nd year, students shall complete the programme at Ca' Foscari, including the thesis defense and the graduation.

An online thesis defense with a CNU Committee is also envisaged, for the award of the Chinese diploma.

Participants are offered financial support by the Beijing Municipal Authority ("Beijing Municipal Foreign Students Scholarship") in the form of exemption from paying fees at the foreign University.

If a student breaks the laws of the People's Republic of China or the regulations of the host University, the CNU International Students Office reserves the right not to grant the support and the student will have to pay the fees at CNU. Department of Management – Venice School of Management

The Commission shall evaluate the applications received considering:

- number of credits earned and weighted average of the marks of the passed exams;
- interview.

Students enrolled in the master's degree programmes in Global Accounting and Finance and Innovation and Marketing may indicate their preference concerning the available Master's programmes at the partner university at application stage.

For each preference, the first 20 candidates in the ranking list (based on number of credits and weighted average for the exams passed during the master's degree) shall be admitted to the interview.

The final ranking will be drawn up by the selection Committee as follows: 50% of the overall score for the academic career and 50% for the interview.

In case of withdrawals, a place will be offered to the next student in the ranking list for the same preference.

For students enrolled in the master's programmes in Global Accounting and Finance and Innovation and Marketing, in case of exhaustion of one of the rankings, the other available ranking will be scrolled.

In case of absence of candidates for one or more the master's degrees involved in the double degree programme, students of the other ranking lists might be offered a place, upon decision of the selection Committee.

Other useful information

At the time of applying for a Student Visa, you must have at least 48 ECTS.

For registration at the partner university, students will be required to submit the following documents:

- official enrolment reporting all the passed exams with grades (which can be requested following the procedure described at this link: <https://www.unive.it/pag/11116/>);
- personal statement.

Subsequently, the following documents will also be required:

- English language certification (for more information about the certifications recognized by the partner institution, please check the following webpage: <https://www.reading.ac.uk/admissions/acceptable-english-language-proficiency-tests/score-of-65-with-no-element-less-than-60-in-ielts>);

Additional scholarships are made available by ICMA Centre:

www.icmacentre.ac.uk/study/masters/scholarships-funding.

Scholarships are available to support high-potential students. All applications are automatically considered for a scholarship. No separate scholarship application is necessary. Applicants should simply submit their application for a master's programme starting in 2024 (or in 2025 for departures in the 2nd year in 2025/26 A.Y.)

and they will be automatically notified if they are successful. Shortlisting and selection are based on academic merit and the candidate's potential as demonstrated in the application form.

Unless there are future changes to the current regulation, at the end of the study path it will be possible to request a Post-Study Work visa or Graduate Route Visa which offers the opportunity to stay in the UK for 2 years.

Students enrolled in the master's degree programmes in International Management, Global Accounting and Finance and Innovation and Marketing, who are selected for the double degree programme may not carry out or have carried out any other type of mobility (e.g. Erasmus+ for study or placement, Overseas, SEMP, etc.) during the same cycle of studies, under penalty of exclusion from selection or cancellation of the double degree mobility.

Other useful information

For registration at the partner university (usually within October), selected students will be required to submit the following documents:

- passport or national ID card (only for EU citizens);
- curriculum vitae;
- motivation letter;
- B2 level English language certification, among those recognized by the partner institution (listed in the section Language requirement for application);
- official enrolment reporting all the passed exams with grades (which can be requested following the procedure described at this link: <https://www.unive.it/pag/11116/>);
- certified copy of the bachelor's degree diploma;
- two recommendation letters (the draft form will be provided by the partner university after the official nomination).

Additional documents might be requested by the partner institution. Selected students commit to complete the registration process by the deadline communicated by the partner institution.

The programme provides for a 4-month mobility period for study (approximately from the beginning of January to the end of April) in order to obtain the envisaged credits. More specifically, students will achieve:

- 21 ECTS for exams;
- 9 ECTS for internship.

In order to obtain the degree at the partner university, selected students must carry out an internship of at least 4 months (in Italy or abroad), which must be approved by SKEMA and needs to be concluded by December of the mobility year. No mobility grant is envisaged for the internship.

The Paris campus will be able to host no more than 1 student for the Master in Corporate Financial Management.

Students selected for the double degree programme may not carry out or have carried out any other type of mobility (e.g. Erasmus+ for study or placement, Overseas, SEMP, etc.) during the same cycle of studies, under penalty of exclusion from selection or cancellation of the double degree mobility.
