

## ETR8 – Business Administration and Management

List of mandatory priority exams for the Degree Programme in Business Administration and Management

Mandatory priority exams		Students need to pass the exams listed in the first column before taking any exam belonging to the following fields of study (the field of study of each course is indicated in the related syllabus)
Additional Learning Requirement (ALR) Mathematics		<p>First-year students cannot take any exam in the business, economic or quantitative area if they have this ALR (Additional Learning Requirement) pending. Students enrolled from second year onward will not be able to take any exam if they haven't met their ALR.</p> <p>Students who enrol with credit recognition to the second or third year cannot take any exam in the business, economic or quantitative area if they have the Mathematics ALR pending. From the following year all exams will remain blocked until the ALR has been met.</p>
Inglese B2		English B2 ALR must be met within the first year of enrolment to the degree programme. From second year onward students will not be able to take any exam if the English B2 ALR has not been met.
