**\* Recommended exams amongst elective credits (18 ECTS credits)**

Students can either select these 18 ECTS credits from the groups of choice they have not selected from yet, from the courses offered in other curricula of the MA programme in Economics, Finance and Sustainability, or they can choose from the following exams. Students may also select these 18 ECTS credits from other MA programmes in duly justified cases only.

The Teaching Committee may verify whether the elective courses chosen by the student are coherent with the proposed programme. Coherence refers to individual study plans and will therefore take into consideration the suitability of the motivations supplied. The study plan will not be approved if there are serious inconsistencies.

## EXAM SESSIONS

### Exam Sessions scheme

Different exam sessions are scheduled during the academic year and each course includes at least 4 different dates in which the related exam can be taken.  
The organisation of the exam sessions depends on the course scheduling (that is the semester or term the course will take place) and is described in the chart here below.

| Term/<br>Semester                           | EXAM SESSIONS |           |       |           |           |         |
|---------------------------------------------|---------------|-----------|-------|-----------|-----------|---------|
|                                             | October       | January   | March | June      | September | January |
| <b>Courses held in one term</b>             |               |           |       |           |           |         |
| 6 ECTS/CFU courses                          |               |           |       |           |           |         |
| 1st Term                                    | 1°            | 2°        |       | 3°        | 4°        |         |
| 2nd Term                                    |               | 1° and 2° |       | 3°        | 4°        |         |
| 3rd Term                                    |               |           | 1°    | 2°        | 3°        | 4°      |
