

Ca' Foscari
University
of Venice

Department of Environmental
Sciences, Informatics and Statistics

Are you looking for a Thesis
or Internship project?

Do you have doubts about
your academic path?

ENVIRONMENTAL SCIENCE TUTOR SERVICE

For whom?

Bachelor's and Master's students in Environmental
Sciences

What?

The Environmental Sciences Tutor is available to help you with academic/administrative issues and provide support in developing your study path. They can assist you in finding the most suitable thesis or internship project, whether external or on-campus, guiding you towards the choice that best matches your interests and goals.

Support Offered for:

Study Path:

- Guidance within the university environment
- Support in choosing the path that best aligns with your interests

Thesis and Internships:

- An updated list of available thesis projects, organized by thematic area
- Support in developing your personalized thesis project
- Finding the most suitable company or laboratory for your External Internship or On-Campus Training Activity (AFC)
