

Dear candidates PhD Polar Sciences 42° cycle,

below you find the scheduling for the interviews in remote mode (zoom meeting), the link and some indications.

IMPORTANT: Please, pay attention that the time is Italian time (CET, Rome time)!

Please keep at hand the same identity document you used for the admission application.

All the best

Barbara Stenni on behalf of the Commission

28th September 2026

LINK ZOOM

Barbara Stenni is inviting you to a scheduled Zoom meeting.

Topic: Oral exams PhD in Polar Sciences 42° cycle

Time: Sep 28, 2026 09:00 AM Rome

Join Zoom Meeting

<https://unive.zoom.us/j/87565705943?pwd=L6iF93eHlsXJW4rFXlGfPiF5lUbocQ.1>

Meeting ID: 875 6570 5943

Passcode: ryYw7E

Indications:

During the interview (7 minutes for presentation + 3 minutes for committee's questions), the selection committee will assess:

- structure and articulation of the research project;
- motivation and relevance to the PhD topics;
- acquired skills in subjects necessary for the quantitative analysis of the polar system;
- ability to describe and motivate the research project with adequate proficiency in English.

The presentation will be without slides.
