# Guide to the SIE Italian Language Placement Test

## WELCOME!

This placement test evaluates your Italian **reading, listening, grammar, and lexical skills** to assign you to the **appropriate course level**. The test is available **online** on the **Ca' Foscari Moodle platform**.

---

## TECHNICAL REQUIREMENTS

Before starting the test, please make sure you have:

- A **computer** with an updated operating system (Windows, macOS, or Linux).
- A **stable internet connection** with sufficient speed to stream audio and video.
- An **up-to-date, standards-compliant web browser** (e.g. Firefox, Google Chrome, Safari, or Microsoft Edge) **with cookies enabled**.

---

## TEST GUIDELINES

- Take the test in a quiet, distraction-free environment.
- Do NOT use any dictionaries, grammar books, textbooks, translation tools, or electronic devices (such as smartphones, tablets, or e-readers).
- Complete the test by yourself, without help from others.

---

## TEST DETAILS

- The test begins at level **A1**.
- To progress to the next level, you must score at least **70 out of 100**.
- It consists of **multiple-choice, true/false, and gap-fill exercises**. Only **one option per question** is correct.
- Each level has a specific **time limit**, shown as a countdown that cannot be paused or restarted.
- The test can be taken **only once**. If you already completed the Placement Test in a previous semester or session and cannot access it again, please contact the School for International Education at cfsie@unive.it to have your earlier attempt cancelled.

## HOW TO ACCESS THE TEST

1. Open your browser and go to:
   https://moodle.unive.it/course/view.php?id=2399
   or copy and paste the link into your bowser's address bar.
2. Log in with your **UniVe credentials** (username and password provided by Ca' Foscari) in the "Login UniVe" section.
3. Paste or write the "**chiave di iscrizione**" / "enrollment key": **place2019**, and confirm by clicking on "**Iscrivimi**" / "Enrol me".
4. You will be directed to the Italian Placement Test main page.
5. Click on the **A1** level to start.
6. Press "**Tenta il quiz**" / "Attempt quiz" to confirm.
7. Click "**Avvia il tentativo**" / "Start attempt" to begin your test.

---

## AFTER COMPLETING EACH LEVEL

- Click "**Invia e termina**" **/** "Submit all and finish" at the end of your attempt.
- If your score at A1 is **below 70%**, the test ends and your placement level is A1.
- If your score is **70% or higher**, the next level becomes available and you must continue with the test.

At each subsequent level:

- A score **below 60%** ends the test and places you at the **previous level**.
- A score **between 60% and 70%** confirms your placement at the **current level**.
- If your score is **70% or higher**, the system will allow you to access to the next level, and you must continue with the test.
